EIGHT MEMBERS OF THE COMMUNITY

1 OPENING OF MEETING

The Mayor declared the meeting open at 7.00pm.

2 ACKNOWLEDGEMENT OF COUNTRY

Mayor Williams acknowledged that the meeting was being held on the traditional land of the Bindjareb people, and paid his respect to their Elders past and present.

3 APOLOGIES

Leave of Absence

Councillor A Zilani

Apologies

Councillor C Di Prinzio
Councillor D Schumacher

4 DISCLAIMER

The Mayor advised that no person should rely on any comments made by Members or officers until formal written advice is received by that person.

5 ANNUAL REPORT PRESENTATION

5.1 2021/2022 ANNUAL REPORT AND FINANCIAL STATEMENTS PRESENTATIONS

The Mayor gave an overview of Council and a review of the year's events, awards and recognitions received by the City during 2021/2022.

The Chief Executive Officer delivered an overview of the City's achievements within each of the five pillars of the Strategic Plan. Results from the Community Perceptions Survey Results and Financial Performance Summary along with the City's focus for 2022/2023.

6 DISCUSSION OF 2021/2022 ANNUAL REPORT

The Mayor invited electors to raise issues and ask questions in relation to the 2021/2022 Annual report.

No questions were asked.

7 GENERAL BUSINESS

The Mayor invited electors to raise issues and ask questions.

7.1 GARY IRVINE: DEVELOPMENT 40 DARWIN TERRACE, MARINERS COVE

Mr Irvine representing a group of residents from Mariners Cove, Dudley Park outlined that a group of residents engaged a consultant to complete an independent peer review and requested that the report be considered as part of the Development Application for 40 Darwin Terrace.

City of Mandurah Response

Mayor Williams thanked the residents for their respectful engagement with the City and Council in relation to the Darwin Terrace development. The Mayor advised that the peer reviewed environmental report has been received. The Mayor encouraged the residents to provide a submission to the Development Assessment Panel (DAP).

7.2 GARY IRVINE: STREET PEOPLE

Mr Irvine stated that he has noticed an increase in the number of street-present people congregating in Mandurah. Mr Irvine explained that he understands that this is a Western Australian Policing matter, however Mr Irvine asked whether the City of Mandurah had a role?

City of Mandurah Response

The Mayor advised that the City of Mandurah has demonstrated a commitment to addressing this challenging and complex issue through the implementation of the Assertive Outreach Program. The Assertive Outreach approach was identified as a strategic response to tackle problematic street presence, rough sleeping and related anti-social behaviour in the central areas of the Mandurah foreshores, and central business and entertainment districts. In addition, the City of Mandurah continues to advocate for more support services in Mandurah, engaging with Western Australian Police, State Government and not-for-profit partners.

7.3 GARY BROWN: LONG TERM FUTURE OF THE CITY

Mr Brown asked what is the long-term future of the City in terms of economic diversification?

City of Mandurah Response

Mayor Williams referred the residents to the Transform Mandurah Economic Opportunities Report, undertaken by Deloitte which identifies a number of challenges facing Mandurah and opportunities for diversification. The Report identifies eight opportunities to help transform Mandurah's economy, including but not limited to, diversifying the economy through educational and training focusing on aged care workforce, increasing professional industries and re-development of the City Centre.

7.4 KERRY BEAKE: COMMUNITY CONSULTATION SESSION OUTCOMES

Ms Beake stated she has attended a number of community consultation sessions and then fails to see anything happen.

City of Mandurah Response

Mayor Williams advised that the purpose of community consultation is to inform the development of strategy and program design. Following community consultation, City of Mandurah officers undertake detailed planning, factoring the communities and broader stakeholder feedback. The Mayor reiterated that community consultation sessions are a valuable mechanism to hear the community's views and help inform projects, programs and strategies.

7.5 SANDRA TUCKEY: TRAFFIC DIRECTION - CITY CENTRE

Ms Tuckey requested an update in relation to the change of the direction of traffic on Mandurah Terrace. Could the Mayor please advise if this project is going ahead and will the community have an opportunity to have their say?

City of Mandurah Response

The Chief Executive Officer advised the Council has endorsed a number of initiatives designed to make it easier for pedestrians and traffic to access the City Centre and improve traffic flow in the area. The Chief Executive Officer advised that Council has agreed to the Mandurah Terrace Concept Plan in principle in order to progress the plan to detailed design. The Chief Executive Officer advised that City of Mandurah Officers will continue to engage with broader community, businesses and landowners, prior to Council endorsing the City Centre Master Plan.

7.6 SANDRA TUCKEY: RUSTON PARK NORTH CHANGE ROOMS RENOVATIONS

Ms Tuckey stated that Mandurah Mustangs have been liaising with City Officers in relation to the changeroom upgrade at Rushton Park that occurred in 2019. She advised documents were provided to City officers two months ago in support of the club being reimbursed. Ms Tuckey advised City officers showed goodwill in their support to reimburse the club, and was interested to

know if this would go to Council for consideration for the money to be returned this financial year, or next financial year?

City of Mandurah Response

The Chief Executive Officer advised that the City will continue to work with Mandurah Mustangs, including reviewing the documentation that will be provided by the club, to determine the next steps.

7.7 HEATHER IRVINE: BUY-BACK DARWIN TERRACE

Mr Irvine asked whether the City would have any interest in purchasing 40 Darwin Terrace?

City of Mandurah Response

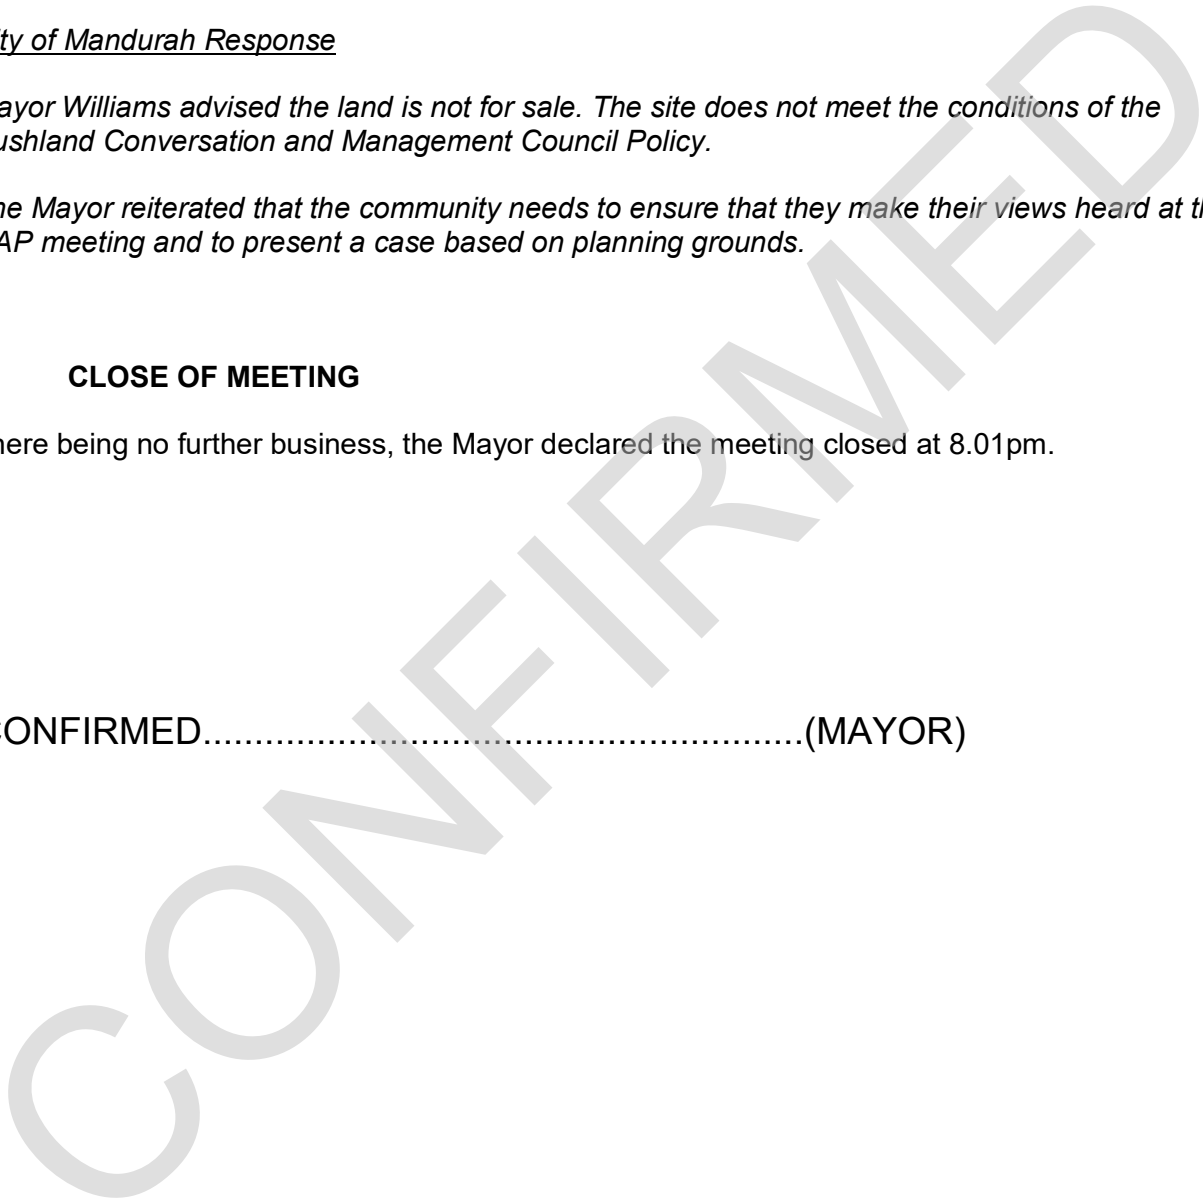

Mayor Williams advised the land is not for sale. The site does not meet the conditions of the Bushland Conversation and Management Council Policy.

The Mayor reiterated that the community needs to ensure that they make their views heard at the DAP meeting and to present a case based on planning grounds.

8 CLOSE OF MEETING

There being no further business, the Mayor declared the meeting closed at 8.01pm.

CONFIRMED.....(MAYOR)

NOTICE OF MEETING

ANNUAL ELECTORS

Members of Council are advised that an Annual Electors Meeting will be held in the Tuckey Room, Civic Building, 83 Mandurah Terrace Mandurah on:

**Monday 15 May 2023
at 7.00pm**

MARK R NEWMAN

Acknowledgement of Country

The City of Mandurah would like to acknowledge the Bindjareb people – the traditional custodians of this land – and pay respect to all Elders, past and present.

Message from the Mayor and CEO

This year, a number of milestone plans, capital works and strategies aimed at transforming Mandurah's future have come to fruition, or are well on the road to completion.

We've had another eventful year of building upon the solid foundations laid for our Transform Mandurah plan, which aims to create the right kind of jobs for current and future residents by diversifying our economy. The vision for Transform Mandurah is all about attracting new investment into the city over the next decade, and addressing structural unemployment both for today, and for future generations.

In advancing our plans to transform our city, the circular estuary pool on the Eastern Foreshore, Kwillena Gabi Pool, was opened just in time for the Christmas break in 2021. This was a milestone component of the \$22m Mandurah Waterfront project, which has investments from the Federal and State governments, and the City of Mandurah.

It's been wonderful to see our community and visitors enjoying these new and revitalised spaces with family and friends.

Works continued on the Western Foreshore's world-class Play Space, including the installation of the main 12m high play tower. Project planning for the Western Foreshore Commercial Site also progressed with an Expressions of Interest process and the selection of preferred proponents, and it's exciting to see the next phase of our foreshore redevelopment coming to the fore.

As has been the case with many projects across the country, some of the City's large infrastructure projects have been delayed due to the flow on effect of the pandemic.

Challenges within the building industry around shortages in building materials and skilled trades, and thus some pricing increases, have meant that some local projects have been delayed longer than expected. However the project teams have worked their very best to overcome these challenges and keep capital works progressing and on track as much as possible.

To help guide the city towards a strong and resilient future, the City engaged Deloitte Access Economics to carry out some of the most important and comprehensive research Mandurah has seen, laying out Mandurah's fundamental structural challenges of the past 20-30 years. By gaining a better understanding of the city's long-term socio-economic challenges, the City now has a comprehensive baseline from which to confidently address Mandurah's toughest issues over the next decade.

The 'Transform Mandurah Economic Opportunities' report also highlights eight key economic opportunities that fit with Mandurah's strengths, and are designed to increase economic growth over the next 10 years. We are really keen to continue this work and build on the positive momentum seen in Mandurah recently.

We're proud of many other successes and milestones throughout the year, including a range of amazing community events and activations, the relocation and fit out of a vital service in our community – the Peel Community Kitchen, the opening of Mandurah's first enclosed dog park, and the commencement of Mandurah's Assertive Outreach service, helping our city's most vulnerable people.

All of these initiatives, and many more either underway or in the pipeline, are working towards the Mandurah we want for the future, and underpin the essence of our vision – woven by waterways, a city with a village heart.

Rhys Williams, Mayor and **Mark Newman**, Chief Executive Officer

Our Shared Vision

'We are built in nature - a meeting place surrounded by unique waterways, where the wellbeing of our people and our environment are nurtured; where business in the community can thrive and entrepreneurship is celebrated. We will be the place where a thriving regional city and the heart of a village meet. This is our Mandjoogordap.'

Planning for the Future

In line with the requirements of the Western Australian Government's Integrated Planning and Reporting Framework (IPRF), the City undertook a minor review of its 20 Year Strategic Community Plan during the 2021/22 financial year. The Revised Strategic Community Plan 2020-2040 was formally adopted by Council at its meeting in May 2022 and will be effective from the 2022/2023 financial year.

City officers subsequently finalised the next stage of the IPRF process, which involves the development of the City's 4 Year Corporate Business Plan. The Corporate Business Plan lists the City's priority projects, initiatives and actions that will be undertaken over the next four years in response to identified community priorities.

We look forward to continuing our exciting journey towards achieving our aspiration to be a thriving regional city with the heart of a village and a place we are really proud to call our meeting place, our Mandjoogordap.

Focus for 2022 – 2023

Economic

Diversifying our economy

\$6.1 mil

- Continued delivery of Mandurah Waterfront project
- Progress City Centre Master Plan and Parking Plan
- Progress Western Foreshore Commercial Site
- Yalgorup National Park
- Peel Harvey Estuary Trails project
- Giants of Mandurah project

Social

Connecting our people.

2021-2022
Performance

Performance Highlights

Economic

- Kwillena Gabi Pool opened to the public in December 2021
- Works progressed on Western Foreshore Play Space (Koolaanga Waabiny Playground) to deliver a world-class play area
- Project planning for Western Foreshore Commercial Site progressed
- A review of the City Centre Parking Strategy and development of a new City Centre Parking Plan has been underway, including community engagement and occupancy surveys
- Deloitte Access Economics was engaged to identify key economic opportunities for Mandurah. As a result, the Transform Mandurah Economic Opportunities Report was finalised
- Work progressed to determine future investment opportunities within the Yalgorup National Park, including the first stage of an Environmental Values Assessment
- Christmas in Mandurah and Skating in Mandurah Winter Festival were held in Mandurah, both again proving to be successful, crowd-pleasing events

Economic

Objectives

1.1. Promote and foster investment aimed at stimulating sustainable economic growth

1.2. Facilitate and advocate for sustainable local job creation, and industry growth and diversification

1.3. Actively partner and engage with business and industry to support Mandurah's entrepreneurial capacity and capability

1.4. Advocate for and facilitate opportunities for improved education, training and skill development opportunities in Mandurah

1.5. Establish and leverage opportunities with key stakeholders to achieve sustainable economic outcomes with due consideration to environmental impacts

● Above Target ● On Target ● Below Target ● Attention Required

#	Projects/Initiatives	Objective	Status*	Comment	Responsibility
1.1	Deliver the Waterfront Redevelopment Stage 1 project (Eastern and Western Foreshore upgrades including playground and picnic area improvements and ablutions, and Smart Street Mall upgrades)				
1.1.1	Deliver Mandurah Estuary Pool (Kwillena Gabi Pool)	1.1, 1.3 1.5	●	The Kwillena Gabi Pool (Estuary Pool) was opened to the public in December 2021, and works to the southern end of the Eastern Foreshore area are expected to be substantially complete by the end of 2022. Procurement for the design of a new toilet block on the Eastern Foreshore has begun with construction expected to be completed by the end of 2023.	Infrastructure Management
1.1.2	Deliver Western Foreshore Play Space	1.1, 1.3 1.5	●	Installation of main play tower is complete. The Play Space and surrounds are expected to be substantially completed by the end of 2022.	Infrastructure Management
1.2	Develop the business case, undertake feasibility study and obtain funding support for the Data Array project	1.5	●	As part of the Transform Mandurah research, the Data Array project will now be assessed and prioritised against the list of initiatives that have been identified.	Transform Mandurah
1.3	Partner with Department of Biodiversity, Conservation and Attractions (DBCA) to develop sustainable eco-tourism opportunities and product in the Yalgorup National Park and adjacent areas				
1.3.1	Develop a detailed design plan to determine future investment opportunities within the Yalgorup National Park with a focus on northern access and activation	1.5	●	Initial State Government funding payments have been received and Stage 1 of the Environmental Values Assessment (EVA) (Desktop Analysis) has been awarded to a consultant and is almost complete. Stage 2 (EVA and Flora and Fauna study) is awaiting completion of Stage 1, but procurement process underway in parallel in order to move quickly once Stage 1 is complete.	Transform Mandurah

1.3.2	Develop and implement a Beach Access Management Plan to better align local government and DBCA land management actions to improve conservation, recreation and safety outcomes on beaches adjoining the Yalgorup National Park	1.5	●	Stage 1 of the Environmental Values Assessment (Desktop Analysis) has been awarded to a consultant and is almost complete. Stage 2 (EVA and Flora and Fauna study) is awaiting completion of Stage 1, but procurement process underway in parallel in order to move quickly once Stage 1 is complete. Consultant for Aboriginal Heritage and Cultural Survey has been appointed by Department of Biodiversity, Conservation and Attractions (DBCA), with the funding agreement being developed by the City of Mandurah to cover this procurement by DBCA, as well as their detailed design planning stage which will start later this year.	Transform Mandurah
1.3.3	Facilitate the planning and development of eco-tourism opportunities on land adjoining the Yalgorup National Park	1.5	●	Extensive engagement has been undertaken with private landowners adjoining the Yalgorup National Park. Landowners are progressing tourism product development ideas with positive ongoing engagement across the City.	Transform Mandurah
1.4	Plan and develop a network of new eco-tourism and recreation trails around Peel-Harvey Estuary and the Yalgorup National Park				
1.4.1	Plan and develop the 30km 'Island Shared-use Trail' around the 'Island' (Halls Head, Erskine, Falcon, Wannanup)	1.5	●	Consultant 'Common Ground Trails' has been appointed and work is progressing.	Transform Mandurah
1.4.2	Plan and develop a network of paddle launch sites around the estuary, including all-abilities launch sites	1.5	●	Consultant 'Common Ground Trails' has been appointed and work is progressing. Mandatory site visit for Riverside Gardens all-abilities launch facility has occurred with two companies attending and expecting to submit a tender.	Transform Mandurah
1.4.3	Plan and develop a 70km+ shared-use 'Round the Estuary Trail' around the Peel-Harvey Estuary, comprising of existing and new trail sections	1.5	●	Consultant 'Common Ground Trails' has been appointed, and the Engagement Plan is being developed.	Transform Mandurah
1.5	Review the City Centre Parking Strategy and develop a new City Centre Parking Plan focused on timed parking options, signage and wayfinding and lighting	1.3	●	First stages of community engagement and occupancy surveys have been undertaken and the project is progressing in line with approved timeframes as per the project plan.	City Planning
1.6	Develop and maintain an Integrated Transport Strategy and underpinning Transport Plans	1.3	●	Draft Integrated Transport Strategy is being finalised.	Technical Services
1.7	Upgrade Pinjarra Road	1.5	●	Stage 2 (East of Anstruther Road) has been completed and the road opened. Stage 3 (Anstruther Road to Randell Street) east bound lanes (heading to Pinjarra) are complete and construction of the west bound lanes (heading to the City Centre) are expected to be complete by late 2022.	Operations Services, Technical Services
1.8	Upgrade Peel Street	1.5	●	Land acquisition for road widening has been finalised and underground power supply works are expected to be completed in 2023.	Operations Services, Technical Services
1.9	Upgrade Leslie Street	1.5	●	Leslie Street upgrades are completed.	Operations Services, Technical Services

1.10	Develop business cases for the delivery of the City's Transform Mandurah program					
1.10.1	Undertake data analysis and option development	1.1, 1.2, 1.4,	●	Deloitte Access Economics was engaged to undertake analysis to identify key economic opportunities for Mandurah. The report has been finalised and will be presented to Council in July.		Transform Mandurah
1.10.2	Develop the business cases	1.1, 1.2, 1.4,	●	A multi-criteria assessment model has been developed in conjunction with the Peel Development Commission (PDC) and scoring will be undertaken with a view for the consensus priority projects list to be taken back to Council in October for endorsement.		Transform Mandurah
1.11	Emerging Industries Attraction – Facilitate growth and development of globally-emerging industries in Mandurah and Murray					
1.11.1	Perth and Peel Hydrogen Cluster – Jointly develop regional, national and international hydrogen supply chain ecosystems and enhance hydrogen research and development, and education and training outcomes.	1.1, 1.2, 1.3, 1.4, 1.5	●	Proposed Woodside hydrogen transport and refuelling project in Mandurah was unsuccessful. Proof of concept research paper is being finalised in order to support attraction of private investors to the precinct.		Transform Mandurah

3.9.2	Lavender Gardens Reserve BMX track upgrade		●	Lavender Gardens Reserve BMX track upgrade is complete.	

3.9.3	Implement Stage Two Gallop Reserve upgrade		●	Gallop Reserve upgrade is complete.	
3.9.4	Other Public Open Space upgrades		●	This has been completed, with a minor number of carryovers into the capital program for 2022/23.	
3.10	Upgrade South Harbour paving	3.3	●	Public Open Space surrounding bridge abutment at Marco Polo Drive upgrade is complete.	Marina and Waterways
3.11	Develop Riverside Gardens all access launching ramp	3.3	●	Planning approval, detailed design and installation of universal access canoe launch program will not be completed until December 2022 if successful for a grant by the State Government. All procurement planning and approvals are complete and design and construct tender will be advertised early in new financial year.	Marina and Waterways
3.12	Develop and implement a new shared path program	3.3	●	Seven of eight available paths within the financial year have been completed. Biara Court project is carried over to 2022/23.	Operations Services, Technical Services
3.13	Implement the City of Mandurah Public Health Plan	3.5			Health Services
3.13.1	Improve governance and promotion of volunteering in the City		●	A process review has been completed, and policies have been created. The Volunteer Policy and Procedures has been updated, and volunteer processes and procedures continue to be implemented. Volunteer Management Training has been completed in conjunction with the Peel Volunteer Resource Centre.	Health Services
3.13.2	Promote the health benefits linked to connecting people with and protecting the natural environment		●	Videos of Marlee Reserve and Island Point have been released and promoted via social media.	Health Services
3.13.3	Increase cross promotion of community programs and services to improve connections and partnerships across the community		●	Focus on physical activity-based programs in outdoor locations have been well attended and supported in COVID circumstances. The promotion of Act Belong Commit continued with Physical Activity Programs.	Health Services
3.14	Complete operational service review of the MARC	3.4	●	The operational service review of the MARC was completed, and the Recreation Centre's five-year Operational Plan was developed.	Recreation Centres
3.15	Complete operational service review of Recreation Services	3.3, 3.4	●	This review was completed, with findings presented. Key focus and actions to start in 2022/23.	Recreation Services
3.16	Develop and implement a community-initiated infrastructure policy (club-led)	3.3	●	A presentation was provided to Elected Members, and the policy will be presented to Council for adoption in 2022/23.	Recreation Services
3.17	Implement initiatives that encourage and celebrate participation in sport and recreation	3.4	●	There was successful delivery of Sport and Recreation Club 'Come and Try' events with more than 30 clubs engaged. 101 nominations were received for the annual City of Mandurah Sports Awards, which included the Sports Awards gala evening. The City continued to provide education sessions through workshops, and Volunteer Week and volunteer advocacy videos were promoted. A Peel Sports Forum was held on June 24.	Recreation Services
3.18	Provide food safety management	3.1	●	All inspections were completed in recommended timeframes. Food sampling and food recall processes were actioned.	Health Services
3.19	Provide public buildings and event assessments	3.1	●	Events and public buildings were assessed appropriately. Event numbers increased towards the latter part of the financial year due to easing of COVID restrictions.	Health Services
3.20	Undertake recreational water monitoring	3.1	●	Sampling of Aquatic Facilities and Recreational Waters continues monthly with all open premises samples in accordance with required legislation. Full audits were also completed considering fencing.	Health Services
3.21	Deliver the City's mosquito management program	3.1	●	Mosquito management continued with cooler weather reducing community impacts. Funding from the Department of Health accessed following required additional expenditure.	Health Services

3.22	Undertake swimming pool barrier inspections	3.3	●	In quarter one, 332 pool barriers were due for inspection, and 502 were inspected including backlog from the previous quarter (20 were overdue). In quarter two, 60 were inspected and 10 are overdue with seven booked in and three listed for warrant entries. In quarter three, more than 600 pool barriers were inspected with 11 pools overdue. Those outstanding have been booked or listed for entry under warrant. In quarter four, 414 pools were inspected with 22 outstanding (one with works to be done, four renovations/contractor issues, 16 booked in for July/August, and one unable to gain access.	Building Services
3.23	Plan, deliver and maintain shared path (transport) infrastructure and active and passive recreation facilities within public open spaces (including sports fields, turf areas, playgrounds, exercise equipment, BMX tracks).	3.3	●	Falcon Shared Path detailed design has been completed. The Halls Head Coastal shared path project set for construction in 2022/23.	City Planning, Operations Services, Technical Services, Environmental Services
3.24	Facilitate and host environmental volunteering opportunities for communities to participate in health initiatives	3.5	●	A number of opportunities were made available throughout the year including five Embrace a Space planting days, Fairy Tern nesting season, Mandurah Nature Trails, two Bardoc Lake Embrace a Space planting sessions, and Coodanup street tree engagement. Quarter three included Aboriginal Rangers planting opportunity, Fairy Tern volunteer celebration, Ocean Road Primary School planting, Friends of Island Point Dieback Stations, Youth Development environmental engagement with volunteers/ environmental groups, and the Clean Waterways Campaign social media campaign. In quarter four, Embrace a Space winter plantings were organised, Urban Lakes education event was held and a draft educational booklet was developed, and the Corella Management and Pigeon Management community engagement was delivered.	Environmental Services
3.25	Develop and implement a Public Open Space renewal program	3.3	●	Program being developed and cost estimates are being prepared for inclusion in prioritised 10-year Long Term Financial Plan.	Landscape Services
3.26	Develop and implement a shared path renewal program	3.3	●	This project has been deferred to 2022/23.	Operations Services, Technical Services
3.27	Manage and maintain the City's parks and natural areas	3.3	●	This program is ongoing.	Operations Services, Environmental Services
3.28	Manage and maintain the City's facilities (including building and structures), public area lighting and security systems	3.3	●	This program is ongoing.	Operations Services, Infrastructure, Management

Performance Highlights

Environment

- A 40kW photovoltaic system was installed and is operational at the Seniors Centre (Dandjoo Kaadadjan Mia)
- Greening Mandurah Framework action plan was developed, and community engagement for the Street Tree Masterplan was completed
- Hosted the Australian Association for Environmental Education National Conference
- Eleven Bushland Management Plans were updated for priority nature reserves and five new plans were developed.

Environment

Objectives

- 4.1. Advocate for and partner with key stakeholders to ensure environmental impacts are considered in all planning, strategy development and decision making
- 4.2. Protect and manage our local natural environment ensuring our actions don't adversely impact our waterways
- 4.3. Create opportunities for the community to promote and preserve our local natural environment
- 4.4. Educate and provide leadership on environmental and climate change related issues
- 4.5. Partner and engage with our community to deliver environmental sustainability outcomes

● Above Target ● On Target ● Below Target ● Attention Required

#	Projects/Initiatives	Objective	Status*	Comment	Responsibility
4.1	Undertake repairs to Cambria Island abutment walls	4.2	●	Investigations are completed, and works were carried over to the 2022/23 financial year.	Infrastructure Management
4.2	Rollout LEDs across CoM facilities	4.2	●	Work at the Falcon Library and Marina Chalets has been completed, and assessment is underway to allocate remaining budget. Planning started for next year's retrofits including investigation into additional lighting requirements at Port Bouvard sporting complex.	Environmental Services
4.3	Design and install full septic tank and grease arrestor at Milgar Reserve	4.2	●	A full septic tank and grease arrestor was designed and installed at Milgar Reserve.	Recreation Services
4.4	Implement the Water Sensitive Urban Design (WSUD) Prioritisation Plan	4.5	●	Implementation is complete. A forward works program was developed for WSUD projects. Detailed investigations of high priority projects is continuing for project delivery preparation.	Technical Services
4.5	Implement the City's Solar Plan	4.2, 4.4	●	A 40kW photovoltaic system at the Seniors Centre (Dandjoo Kaadadjan Mia) was commissioned and is operational. A Tender evaluation is being finalised to enable installations to start in 2022/23.	Environmental Services
4.6	Undertake Waste Management Centre upgrades	4.2	●	Alarm and CCTV upgrade have been completed. Weighbridge enhancements have been deferred due to the need to retest the market in 2022/23 for the procurement of weighbridge software for waste facilities.	Waste Management
4.7	Undertake construction of Waste Transfer Centre roadway and concrete hardstand	4.2	●	Waste Management Centre upgrade works are currently being designed. A Works Approval from the Department of Water and Environment Regulation (DWER) is required before any works can start. Funds to be reallocated to waste reserve and capital works planned for 2022/23.	Waste Management
4.8	Implement the City's Coastal Protection Plan (CHRMAP)	4.4, 4.5, 4.2	●	Elected Members were briefed on final draft CHRMAP, with community consultation for the draft plan to start in July, and to end in August. CHRMAP will be presented to Council for endorsement in September 2022.	Marina and Waterways
4.9	Implement the City's Greening Mandurah framework	4.2, 4.5			Landscape Services

* Progress as at 30 June 2022

4.9.1	Develop a Greening Mandurah Framework action plan		●	The Greening Mandurah Framework action plan has been developed and final operational arrangements have been prepared.	Landscape Services
4.9.2	Implement the stage one of the Street Tree Masterplan	4.2	●	A site analysis has been completed, as has stage one of the public engagement completed. Planting to take place in July.	Landscape Services
4.9.3	Develop and implement Pathogen Management Strategy	4.2	●	Pathogen Management Strategy final is to be presented by consultants in July 2022, and an action plan is to be prepared internally.	Landscape Services
4.10	Develop and implement an Environmental Strategy as an overarching plan to guide the delivery of our environmental objectives		●	To commence in early 2022/23 with the strategy to be developed by late 2022.	
4.11	Undertake bushfire mitigation initiatives	4.2	●	Bushfire treatments have been completed using Department of Fire and Emergency Services funding, with progress made at number of high-risk sites. Bushfire Mitigation Activity was completed and the Mitigation Activity Fund grant acquittal was finalised.	Emergency Management
4.12	Plan for the ongoing mitigation of carbon emissions	4.2	●	A draft business case for LED streetlight retrofit has been prepared, and currently undertaking an internal review.	Environmental Services
4.13	Investigate a Power Purchase Agreement alternative to procure renewable energy for City facilities	4.2, 4.4	●	A contract was signed with Synergy, effective April 2022 to procure 100 percent of our contestable energy supply from renewable sources until 2025.	Environmental Services
4.14	Deliver environmental education programs and research partnerships				
4.14.1	Prepare for the hosting of the Australian Association for Environmental Education national conference being hosted in Mandurah in September 2021	4.3, 4.4	●	The conference was successfully delivered, with the final report being developed and signed off by the organising committee.	Environmental Services
4.14.2	Develop and implement environmentally focused communications campaign for the City	4.3, 4.4	●	Community consultation/engagement was undertaken for Kangaroo Paw Park and Madora Bay Landscape Plans, and Street Tree Planting. This included environment posts on social media, website page updates, and National Tree Day community engagement.	Environmental Services, Corporate Communications
4.14.3	Conduct a review of the Embrace A Space program	4.3, 4.5	●	The review has been completed, and flowcharts/JIGs are to be developed and updated as required.	Environmental Services
4.14.4	Support the Clean Waterways community campaign	4.3, 4.4, 4.5	●	The Keep Australia Beautiful Council grant was submitted and successful, and there was a group presentation at Australian Association for Environmental Education Conference. Cigarette Butt Bins were installed and a promotional video with school students was developed by the group. An associated marketing campaign was released. Fishing line bin was replaced and discussions held with DBCA about formalisation of a program partnership.	Environmental Services
4.15	Develop and implement Bushland Management Plans for priority nature reserves	4.2			Environmental Services

4.15.1	Update existing plans	4.2	●	Eleven Bushland Management Plans for reserves have been updated including Beacham Reserve, Linville, Hexham, Harry Perry, Beacham, Gumnut, Victor Beacham, Shirley Joiner, Paraguay, Island Point, St Ives. A further eight plans are awaiting endorsement from the environment advisory group.	Environmental Services
4.15.2	Develop new plans	4.2	●	Five new plans were developed including Janis Street, Tims Thicket, Caddadup (five year update), Josephine Te Puni, and Belles Block.	Environmental Services
4.16	Ensure the City has appropriate approvals (e.g. clearing permits and licenses) for all works undertaken	4.2			Environmental Services
4.16.1	Continue to deliver the Ocean Road sporting oval environmental offset at Westbury Way	4.2	●	Weed control, planting and maintenance of previous planting has occurred as per schedule. Erosion control work has been completed, and habitat logs have been installed.	Environmental Services
4.17	Ensure sustainable water use by the City and community				
4.17.1	Develop, review and implement the City's 5-year Water Efficiency Action Plan	4.2, 4.3, 4.4, 4.5	●	The Water Efficiency Action Plan (WEAP) has been reviewed and implemented. The Water Corporation has awarded the City as a Gold Waterwise Council as a result of this WEAP.	Environmental Services
4.17.2	Facilitate the Waterwise Council verge makeover program	4.3, 4.4, 4.5	●	Two out of three events were successfully delivered, with the final event to be held in July 2022.	Environmental Services
4.17.3	Obtain a permit to abstract groundwater from the Water Corporation under the North Mandurah Managed Aquifer recharge program	4.2	●	The North Mandurah Managed Aquifer Recharge (MAR) Licence was received for 298,000 Kilotres. The Council report was completed to expand on the MAR licence.	Environmental Services
4.18	Develop and implement Foreshore Management Plans for priority foreshore reserves	4.2	●	Falcon Foreshore, Pyramids Beach Foreshore and Seascapes A (Daydream Plaza) Management Plans were created.	Environmental Services
4.19	Review management procedures for Public Open Space (POS) for priority parks and reserves and develop a framework for POS management plans	4.2	●	An inspection checklist was developed for Island Point, Pebble Beach Park, Osprey Waters Foreshore, Falcon Oval, Falcon Bay and trialled with Landscape Management and CityParks.	Landscape Services
4.20	Implement and review the City's Waste Plan	4.5	●	Council approved further amendments to the Waste Plan in May 2022. The Department of Water and Environmental Regulation (DWER) has not yet endorsed the City's plan due to some inconsistencies with the WA Waste Strategy. Meetings to be held between City and DWER officers to resolve these inconsistencies. The actions within the Plan continue to be implemented.	Waste Management
4.21	Manage household and community waste collection services including weekly waste collections, fortnightly recycling, verge collections, public bin collections, illegal dumping and dead animal collections	4.2	●	The Waste Alliance Agreement is actively managed to ensure that the required waste services are delivered to the Mandurah community.	Waste Management
4.22	Manage and operate the Waste Management Centre	4.2	●	This is an ongoing operation.	Waste Management

4.23	Manage and operate the Tims Thicket Inert Landfill	4.2			Waste Management
4.23.1	Implement construction and demolition reuse pilot project at Waste Management Centre (road construction)		●	This project is linked to the upgrade works at the Waste Management Centre - green waste and industrial recycling areas.	Waste Management
4.24	Manage the Waste to Energy contract	4.2			Waste Management
4.24.1	Monitor progress on construction of Waste to Energy plant, including provision of regular updates to the community and on the City's website		●	The plant has been delayed due to COVID-19 and is now expected to start commissioning in March 2023 and be fully operational by September 2023. The City's website is regularly updated on the status of Waste to Energy plant.	Waste Management
4.25	Continue to manage the City's coastline and waterways environment	4.1, 4.5	●	CHRMAP process is continuing. Coastal erosion issues along northern beaches were addressed after winter with significant renourishment works. Numerous minor works were completed around the estuary foreshore. A Coastal and Marine Asset Management Plan was completed, and a five-year dredging contract was secured. The annual sand bypassing program will start in July as a one-off contract. There has been no significant storm damage thus far in 2022 and beach widths are healthy for this time of year.	Marina and Waterways
4.26	Undertake high level scientific and strategic investigations (three per annum) to provide the foundation for improved waterways and coastal zone management decision making into the future	4.4, 4.2	●	Three investigations have been completed, including Beach Access Way rationalisation by Watertech, Coast Snap and Beach Monitoring through the Peron-Naturaliste Partnership.	Marina and Waterways
4.27	Continue the Peron-Naturaliste Partnership	4.1	●	All board meetings and Annual General Meeting were attended and financials completed for 2021/22.	Waterways

Performance Highlights

Organisation Excellence

- A number of innovations have been implemented as part of Internet of Things technology, including people counting, and devices for water meter readings
- Work continued on the implementation of the City's new Enterprise Resource Planning system
- The City's Service Review Framework implementation commenced
- Strategic Risk Assessment 2022 was completed and endorsed by the Audit and Risk Committee

Organisation Excellence

Objectives

5.1. Demonstrate regional leadership and advocate for the needs of our community

5.2. Provide professional customer service, and engage our community in the decision making process

5.3. Build and retain a skilled, agile, motivated and healthy workforce

5.4. Ensure the City has the capacity and capability to deliver quality services and facilities through accountable and transparent business practices

5.5. Ensure that our actions maintain a sustainable balance between economic growth, the environment and social values

● Above Target ● On Target ● Below Target ● Attention Required

#	Projects/Initiatives	Objective	Status*	Comment	Responsibility
5.1	Undertake refurbishment of Ormsby Terrace Council Building	5.4	●	Concepting and costing is complete, and current tenant relocation is being progressed.	Infrastructure Management
5.2	Plan, fund and deliver the City's New Operations Centre	5.4	●	Planning of this facility is progressing, with a detailed contaminated sites investigation to be undertaken to inform the business case for the development.	Operations Services, Infrastructure Management
5.3	Implement the City's new Enterprise Resource Planning system - Technology 1	5.4			Systems & Projects
5.3.1	Property and Rates go live October 21 [of Project Plan for 2020/21]	5.4	●	The product does not meet requirements, and software vendor is addressing the issues.	Systems & Projects
5.3.2	Customer Request Management (CRM), Enterprise Content Management (ECM) final stage go live quarter three 2021 [of Project Plan for 2020/21]	5.4	●	The product is ready for deployment. Because it is currently part of the Release 2 bundle, this is being held up by the Property and Rates delay.	Systems & Projects
5.3.3	Compliance, applications, leases, licences, infringement management implemented by quarter one of 2022	5.4	●	The product is ready for deployment. Because it is currently part of the Release 2 bundle, this is being held up by the Property and Rates delay.	Systems & Projects
5.4	City of Mandurah Brand Implementation – continued (includes ongoing asset roll out as required)	5.1, 5.2, 5.3	●	Additional signage and pull-up banners have been rolled out. A signage audit is still to be completed on all facilities and assets to ensure the new brand is applied.	Corporate Communications
5.5	Review current digital business model and implement any changes				Corporate Communications
5.5.1	City of Mandurah Digital Asset Management System	5.4, 5.2	●	The project plan is completed as are the user requirements. A procurement assessment is underway awaiting final go to market.	Corporate Communications

5.5.2	Review Campaign Management tools	5.4, 5.2	●	User requirements are completed, and a procurement assessment is underway awaiting final go to market.	Corporate Communications
5.5.3	Review Digital Content Plans across all social media channels	5.4, 5.2	●	Digital plans will be rolled out across the organisation in conjunction with communications plans for each focus area and facility.	Corporate Communications
5.6	Organisation Internal Communications including CEO briefings and team briefings	5.3	●	Internal Communications plan completed from CEO/Executive Briefing/ newsletter perspective, however more focus is required on clear objectives for communications more broadly around change management and culture objectives.	Corporate Communications
5.7	Continue to develop and improve One Council HR and Payroll system modules including Payroll, additional workflow and automation, talent and performance, learning and development	5.4	●	Improvements to HR system is continuing with higher duties on line, Performance and Talent and Learning (LMS). Performance and Talent is live with 2022 review.	People and Culture
5.8	Extend Customer Satisfaction Surveys via Qualtrics to broader organisation	5.2, 5.4	●	Surveys for Libraries and Mandurah Aquatic and Recreation Centre are live, and both facilities are working on options for distributing the surveys to their customer base.	Customer Services
5.9	Progress the City as a 'Child Safe Organisation' consistent with recommendations from State Government and Commissioner for Children and Young People	5.4	●	An audit against National ChildSafe Principles commenced as well as engagement with the State Government and Ombudsman.	Community Capacity Building
5.10	Provide for professional program focusing on leadership pathways	5.3	●	All Business Units have been through talent review and have assessed leaders and specialist talent in their teams. The next step will be Succession Plans.	People and Culture
5.11	Determine Action Plan as a result of the Employee Satisfaction Index		●	Action plans are completed and will be reviewed after roll out of 2022 Culture Results.	People and Culture
5.12	Undertake a review of the City's physical delivery methods and drive digital delivery of communications	5.4	●	This has not yet started. The City's outgoing mail service will be reviewed in 2022/23.	Information Management
5.13	Develop a training program for staff and Elected Members on Recordkeeping and FOI responsibilities	5.4	●	Elected Members have had Recordkeeping and FOI sessions, and online training has started for WeConnect and Enterprise Content Management (ECM). An online induction has been completed, as has an Information Management Training Strategy. A program schedule is in draft, and will be completed in line with Record Keeping Plan review due in October 2022.	Information Management
5.14	Implement recommendations from the review of the Information Management function	5.4	●	The Freedom of Information recommendations were completed. Operational procedures were completed to align with legislative requirements. Implementation of improvements as recommended from the IMU Review are on track.	Information Management
5.15	Develop, implement and review Mandurah Recreation Centres' Five-Year Strategic Plan 2021-2026	3.4	●	The Recreation Centres Business Review was complete in December 2021. A Five-Year Operational Plan Framework was developed for implementation in the next financial year.	Recreation Centres

5.16	Implement the Local Planning Strategy Actions and ensure the City's land use planning framework responds and adapts to evolving urban environments and regional initiatives	5.1, 5.2, 5.4, 5.5		A report was prepared for the July 2022 Council meeting to implement the first stages of updates required as a result of Local Planning Scheme 12 Gazettal.	City Planning
5.17	Implement recommendations of the Building and Compliance Services Review	1.1		Continued implementation is occurring.	Building Services
5.18	Maintain and empower the Asset Management Working Group to decentralise Asset Management practices	5.4		Asset Management Strategy to be delivered in 2022/23 and Strategic Asset Management Working Group to recommence.	Strategic Asset Management
5.19	Develop and maintain five- to 10-year capital renewal plans for Civil Assets	5.4		Initial renewal models have been completed for all asset classes. 10-year plans for are due for completion at the end of September, and three-year capital works programs are to be finalised by November 22.	Technical Services
5.20	Drive innovation through the expansion of Internet of Things (IoT) technology (of Plan for 2020/21)	5.4		People counting technology was introduced for the Seniors Centre (Dandjoo Kaadadjan Mia), Licence Plate Recognition discussions were held, and presentation of dashboards to Economic Development has been achieved. People counting technology for the Mandurah Aquatic and Recreation Centre and the enclosed dog park has also been implemented. A dashboard for traffic travel times has been implemented. Internet of Things devices for drainage and water resources teams to replace manual meter readings are also being implemented. Footfall measurements have been developed for the City Centre.	Systems & Projects
5.21	Advocate, manage, maintain and support technology and technological solutions for Council operations (Cybersecurity) [of Plan for 2020/21]	5.4		Penetration test shows improved security, and Event Detection and Reporting has been introduced. Further staff presentations on security have also been introduced.	Systems & Projects
5.22	Manage the City's Community Engagement Policy	5.2, 5.3		Approval was received from the Executive Leadership Team to progress separately with the Community Engagement Policy and Framework, and the Mandurah Matters Engagement project.	Corporate Communications
5.23	Develop and deliver a Strategic Corporate Communications Plan including Internal Communications				
5.23.1	Corporate Communications Framework - Ongoing delivery and review of key campaigns as per framework	5.1, 5.2, 5.3		All campaigns have been delivered on time and on budget. Several additional campaigns have also been added to the team this year. The team has received more than 600 communications requests in the last 12 months which equates to more than 170 communications plans and activities per consultant in the last year. There have also been 849 requests for Graphic Design, and each design request may have multiple pieces of collateral to be designed which usually will equate to more than 2000 pieces of work completed between 1.5 designers.	Corporate Communications
5.24	City of Mandurah websites - management of City of Mandurah, Mandurah Matters, Wearable Art Mandurah and Crab Fest websites				

5.24.1	Ensure websites are AA compliant for accessibility			A website specialist consultant has been engaged to review and develop a business case to manage web content to ensure AA compliance. The Business Case was presented and approved in market for the consultant to assist with website content strategy due to start August 2022.	Corporate Communications
5.24.2	Ensure websites are upgraded as required			A new Sitecore consultant has been appointed. The upgrade plan will be part of a review and strategic website planning.	Corporate Communications
5.24.3	Prepare and provide training for website/s			Training has been completed for all current users, however there is still work to be done in regard to the consistency and governance of the website.	Corporate Communications
5.24.4	Manage website content plan			Finalisation of content for environment planning and Transform Mandurah has been completed.	Corporate Communications
5.25	Undertake Long Term Financial Planning	5.4		The Long Term Financial Plan was adopted in May 2022.	Financial Services
5.26	Provide financial accounting services (Accounts payable, accounts receivable, insurance, loans, investments, GST/BAS, FBT, banking management, corporate credit cards)	5.4		All financial accounting services delivered consistent with obligations and deadlines.	Financial Services
5.27	Provide management accounting services (Budgeting, financial analysis, long term financial planning, capital planning, business cases, financial systems, projects)	5.4		Monthly reports have been provided on time and all deadlines have been met.	Financial Services
5.28	Manage the City's Rates function (preparation of rate notices, pensioner management, street numbering, debtor management, property enquiries, new properties)	5.4		Rates distribution has been completed, and this process is ongoing and up to date.	Financial Services
5.29	Provide financial reporting (Annual financial statements, monthly financial management reporting, budget review)	5.4		Annual financial statements have been completed. The Budget was adopted in June 2022.	Financial Services
5.30	Implement the internal audit function, Strategic Internal Audit Plan 2020/21 – 2022/23 and Operational Internal Audit Plan 2020/2021 (Undertake six Audits during the year)	5.4		Procurement Audit, Crisis Governance and Safety Audit have been finalised. The Cyber security internal audit has been delivered. The Compliance Audit Return 2021 was completed and adopted by Council. Implementation of the internal audit plans recommendations have progressed. Two internal audits have been completed and the remaining four are in progress for finalisation for September 2022.	Governance Services

5.31	Develop and deliver the City's governance training program for employees	5.4	●	<p>A Governance Induction Program has been delivered.</p> <p>A statutory publications training program and resources have been delivered to website editors, and training and resources for public notices are under development. Delegated Authority training is being delivered for new relevant officers, and a training program is under development on newly adopted delegations.</p> <p>A training program has been developed for City officers responsible for maintaining information of the City's website in accordance with Local Government Act and associated regulations.</p>	Governance Services
5.32	Develop, coordinate and deliver policies in accordance with the Council Policy Plan	5.4	●	<p>Code of Conduct Complaints Council Policy has been developed and endorsed by Council, and the Caretaker Period Policy, has been reviewed and amended. The City has developed and consulted on Dealing with Unacceptable Behaviour City of Mandurah Policy.</p> <p>Elected Members Entitlements Policy, Elected Member and CEO Training, Professional Development and Events Policy recorded presentation and survey have been delivered. The City of Mandurah Policy Plan progressed including implementation of Dealing with Unacceptable Behaviour Policy, template letter and guideline. The Public Interest Disclosure annual review has been completed. A number of governance policies have been reviewed including the Elected Member Entitlements Policy, Elected Member and CEO Training, Professional Development and the Events Policy adopted by Council.</p> <p>The Policy Plan 2022 was developed and endorsed.</p>	Governance Services
5.33	Review and implement Delegations and Authorisations	5.4	●	<p>The Annual Delegated Authority review was completed, and new delegations have been embedded across the organisation. A legal review of all potential authorisations was completed, as was a schedule of current authorisations. Consultation with relevant officers on potential authorisations has been completed. A proposed authorisation schedule is under development, and is expected to be completed by the end of July.</p>	Governance Services
5.34	Commence review of one Local Law	5.4	●	<p>A review of the Cat Local Law started at the request of Environment Services. Continued consideration of WA Local Government Cat Amendment Local Laws are being undertaken to consider how the local laws may assist in managing environmental issues for the City. The Legal and Governance Specialist started an initial review of principal local law.</p>	Governance Services
5.35	Implement and educate organisation on the new Code of Conduct for employees, and Elected Members and Committees	5.4	●	<p>The Employee Code of Conduct has been reviewed and drafted, and training materials for employees are close to completion. An external developer has been engaged to develop an online training program. A schedule of case studies has been developed. This project is to be finalised in first quarter of 2022/23.</p>	Governance Services

5.36	Implement the City's Risk Management Framework	5.4	●	<p>Strategic Risks have been embedded, and Strategic Risk Controls have been reported. A presentation was given to the City of Mandurah Management Team on the Operational Risk Approach.</p> <p>The Business Continuity Plan and Policy was endorsed by the Executive Leadership Team (ELT). The Strategic Risk Controls were reviewed and reported to the Audit and Risk Committee.</p> <p>The Strategic Risk Assessment 2022 was completed and presented to the Audit and Risk Committee where it was adopted. This included Strategic Risk Control Evaluation, Strategic Risk workshops with ELT and a recorded presentation to Elected Members and ELT on the strategic risk reports.</p> <p>Development of Business Area Risk Assessment Tool, Workshop Materials and How to Complete a Risk Assessment Guide. Delivery of Organisation Operational Risk Training started.</p> <p>Business areas participated in the operational risk register development process and training was provided by Governance Services to each team. The integration of Operational risk in the annual corporate business planning process started.</p>	Governance Services
5.37	Continue to implement the City's Procurement Improvement Program	5.4	●	<p>Procurement documentation (Procurement Planning, Evaluation Reports and Matrix) was reviewed to reduce error rate, repetition and improve meeting efficacy, procurement outcomes and compliance with legislative requirements and Council Policy. A review of processes under \$50,000 was done to remove duplication and streamline the process.</p> <p>There was a review of Request for Quote and Tender packages including contract package on award to reduce administration time.</p> <p>A review of Procurement Policy started for consideration by Council in August.</p>	Governance Services
5.38	Develop and implement a Procurement Education Strategy	5.4	●	<p>Mandatory Probity and Evaluation Training was delivered for employees responsible for evaluating tenders and quotes on an ongoing basis.</p> <p>Procurement Training Program (under \$50,000) was delivered to 256 employees over seven sessions. 5.43.2	Develop new strategy (2021-2024) and the underlying actions	5.4	●	Discussions with key internal stakeholders have started. Strategy development has been carried forward to 2022/23.	Customer Services
5.44	Provide Administration Services for Mandurah Cemeteries	5.4	●	During the reporting period, 64 burials and 22 ashes interments were undertaken.	Customer Services
5.45	Complete a review of all legacy customer requests in Authority				Customer Services
5.45.1	Report to ELT on management of CRMs in Authority when transitioning to OneCouncil	5.4	●	Work progressed to action customer requests.	Customer Services
5.45.2	Monitor outstanding Authority CRMs		●	Work is being done to address outstanding CRMs prior to the decommissioning of the Authority system.	Customer Services
5.46	Review and update Customer Services Charter and Service Delivery Standards				Customer Services
5.46.1	Review Customer Services Charter	5.4	●	The Customer Service Charter was reviewed and updated, and graphic design updates are underway for completion in 2022/23.	Customer Services
5.46.2	Review Service Delivery Standards	5.4	●	The Delivery Standards were reviewed and updated, and graphic design updates are underway for completion in 2022/23.	Customer Services
5.47	Continue to review, develop and implement the City's Workforce Plan	5.3, 5.2			People and Culture
5.47.1	Set strategy goals for 2021/22		●	Work is continuing on this project, and the framework has been developed.	People and Culture
5.47.2	2022 Workforce Plan		●	The Executive Team has been briefed on the framework, however completion has been deferred to the 2022/23 financial year due to staff turnover and workload.	People and Culture
5.48	Facilitate positive and constructive culture and values within the organisation	5.1, 5.4	●	A survey was completed in June and results were made available to Executive Leadership Team (ELT).	People and Culture
5.49	Review future skill requirements and resources required to maintain specific work areas increasing in size	5.3, 5.4	●	Talent reviews and a Training Needs Analysis are qualifying and quantifying capability needs. Work Force planning at Manager level is being introduced in the 2022/23 financial year to support managers in planning.	People and Culture
5.50	Ensure compliant storage, retrieval, disposal and scanning/preservation of City of Mandurah records	5.4	●	Achieved. This is an ongoing operational task.	Information Management
5.51	Review, develop and implement the City's Record Keeping Plan				

5.51.1	Ensure gaps identified in current Record Keeping Plan have been addressed and measures put in place to comply	5.4		The Record Keeping Plan review is due for completion before October. The Training Strategy is drafted, with the schedule and plan in development, and operational procedures are being completed.	Information Management
5.51.2	Configure all relevant ECM subject indexes to meet requirements of State Records Act 2000 (KFC)	5.4		This project is continuing in the test environment prior to implementation.	Information Management
5.52	Manage Freedom of Information (FOI) Statutory Reporting and Process	5.4		This has been completed and submitted to Office of the Information Commissioner (OIC).	Information Management
5.53	Review and update the City's Recordkeeping Policy	5.4		The City's Recordkeeping Policy was reviewed, and adopted by Council in February 2022.	Information Management
5.54	Review and update the City's Disaster Management Plan for Information	5.4		The review will continue in 2022/23.	Information Management
5.55	Review and update the City's Information Statement	5.4		The Information Statement was updated and published to the City's website and submitted to the Office of the Information Commissioner (OIC).	Information Management
5.56	Ensure ongoing digitisation of City's physical records	5.4		Achieved. This is an ongoing operational task.	Information Management
5.57	Coordinate the City's retention, disposal and archiving program (including digital records)	5.4		Achieved. This is an ongoing operational task.	Information Management
5.58	Monitor, review and update the City's Advocacy Strategy and annual priorities	5.1		Priorities have been reviewed in line with the Federal Government election, and a Council report was endorsed in December 2021. A complete review and update of the advocacy strategy is scheduled for quarter one in 2022/23.	Office of Mayor & Councillors
5.59	Develop and implement the Elected Member Community Engagement Strategy, including comprehensive civic events program	5.2, 5.3		The Office of Mayor and Councillors (OMAC) Coordinator position was filled in June 2022. The team will now complete the draft Elected Member Engagement Strategy in the first quarter of 2022/23. A number of civic events have been delivered this quarter in line with the intent of the Elected Member Community Engagement Strategy.	Office of Mayor & Councillors
5.60	Utilise OneCouncil to define an efficient, fair and equitable process for handling and management of Elected Member constituent enquiries	5.1, 5.2, 5.4		The One Council solution has been further delayed. A new OMAC Coordinator has now been appointed and has taken carriage of the receipt and follow up of all Elected Member enquiries coming in via OMAC. This is a temporary solution. The One Council team has advised that it will reengage with OMAC in the first quarter of 2022/23.	Office of Mayor & Councillors
5.61	Undertake a review of the 20-Year Strategic Community Plan to ensure it effectively delivers on the community's needs	5.2, 5.4, 5.5		A Desktop Review of the Strategic Community Plan 2020-2040 was completed and adopted by Council at its May 2022 meeting.	Strategy
5.61.1	Develop the desktop review process			The process/timeline has been developed and approved by ELT.	Strategy
5.62	Undertake a biennial Community Perceptions Survey as a measure of the City's performance	5.2, 5.4		CATALYSE was engaged to undertake the survey. The survey was completed and a report was received. Presentations to ELT, CoMMT and Elected Members is scheduled for July/August 2022.	Strategy

5.63	Develop and review the 4-Year Corporate Business Plan	5.4	●	A review was undertaken in line with the new process/timelines developed. The Corporate Business Plan 2022-2026 was adopted by Council at its June 2022 meeting.	Strategy
5.63.1	Develop review process in line with the Long Term Financial Plan (LTFP)	5.4	●	The Corporate Business Plan review process and timeline was developed in line with the Long Term Financial Plan review.	Strategy
5.64	Report on achievements outlined in the 20-Year Strategic Community Plan and 4-Year Corporate Business Plan	5.4	●	Strategic Community Plan Quarterly Performance reports and Corporate Business Plan Quarterly Performance reports were developed and published quarterly. The Annual Report for 2020/21 was published, and the Annual Electors' Meeting was held on February 7, 2022.	Strategy
5.65	Undertake annual Business Unit/Service reviews in line with the Service Review Plan	5.4			Strategy
5.65.1	Develop a Business Unit/Service Review Framework	5.4	●	The new Service Review Framework was endorsed and adopted by Council, and implementation started in February 2022. Currently, Service Statements are being completed by all Business Units.	Strategy

Community Perceptions Survey Results

The City engaged CATALYSE to undertake the biennial Community Perceptions Survey that is used to measure community perception towards a range of City delivered programs and services. The survey was open from 21 March to 8 April 2022 with invitations being sent out to 4,693 randomly selected households (1,000 by mail and 3,693 by email). Additionally, the survey was open to the community in general through the Mandurah Matters website. The City's overall performance has remained steady over recent years.

Financial Performance Summary

The City's balance sheet shows a strong financial position with \$47.4 million held in cash and investments at 30 June 2022. Debt levels, and the ability to service that debt sit well within guideline levels. Coupled with sound liquidity, the City is a financially stable organisation. Regular reports to Council on the City's financial performance demonstrates a good level of budgetary control.

Regular discussions are held with the Audit and Risk Committee, which oversees the critical areas of finance, governance and risk. In considering its longer term financial future, the City has identified the importance of financial sustainability and ensuring that value for money for the community is a key factor in decision making to maintain reasonable levels of rates increases, while recognising the needs of the community, in relation to their capacity to pay.

The City reviewed its long term financial plan in June 2022. This plan, which is to be reviewed at least annually not only identifies future capital and operating priorities and how they may be funded. It also sets out the City's path to financial sustainability into the future.

The Annual Financial Report and Auditor's Report are available at mandurah.wa.gov.au/council/governance/community-and-annual-reports.

Operating surplus of
\$3.86 million

Cash and investments
increased by \$6.5M to
\$47.4 million

Operating revenues
increased by \$4.6M to
\$120 million

Capital projects expenditure
decreased by \$1.6M to
\$23.6 million

Rates (68.7% of operating revenues)
increased by \$2.25M to
\$82.6 million

Rateable properties
increased by 659 to
46,808

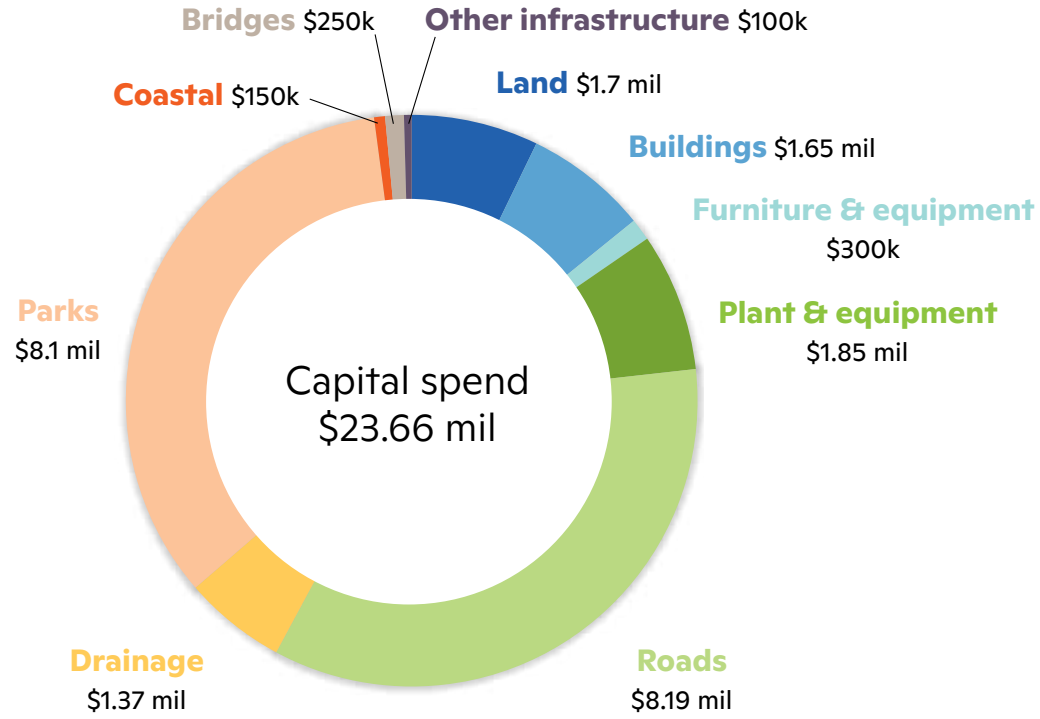

Operating expenses
increased by \$5.3M to
\$134.5 million

Operating Expenditure

Operating Expenditure by Aspiration

Capital Expenditure

Operating Surplus

The City's Long Term Financial Plan works on widening the gap between Operating Revenue and Operating Expenditure to ensure there are sufficient funds to invest in the City's \$1.5 billion asset portfolio, pay down debt and increase the City's reserve funds.

Asset Management Strategy

The asset management strategy provides a financial overview on the various infrastructure assets under the City's jurisdiction and a review on systems/resources supporting the management of assets. The strategy is currently under review.

The asset management strategy review will inform an improvement plan. The improvement plan actions identified in the strategy will prioritise infrastructure assets in the City's asset portfolio and ensure they are managed according to the agreed community service levels.

Asset Management Practice

The City's asset management activities include:

- Regular cycles of condition inspections of all infrastructure assets
- Collecting information on assets and maintaining asset registers in a centralised corporate enterprise system
- Updating asset registers for assets created under capital works or renewed through renewal programs
- Updating asset registers for assets created in sub-divisional developments such as new roads, parks, waterways, footpaths and drainage systems
- Mapping asset locations and providing information to the organisation to help service the community more effectively
- Completing valuations for financial and legislative reporting
- Preparing forward programs for the renewal of assets as required to meet service needs

The activities align with national standards, in particular the Institute of Public Works Engineering Australasia's, International Infrastructure Management Manual and the NAMS.Plus system.

\$280,000 - \$289,999	1	1

The Chief Executive Officer's total reward package was \$368,186 for the 2021/22 financial year.

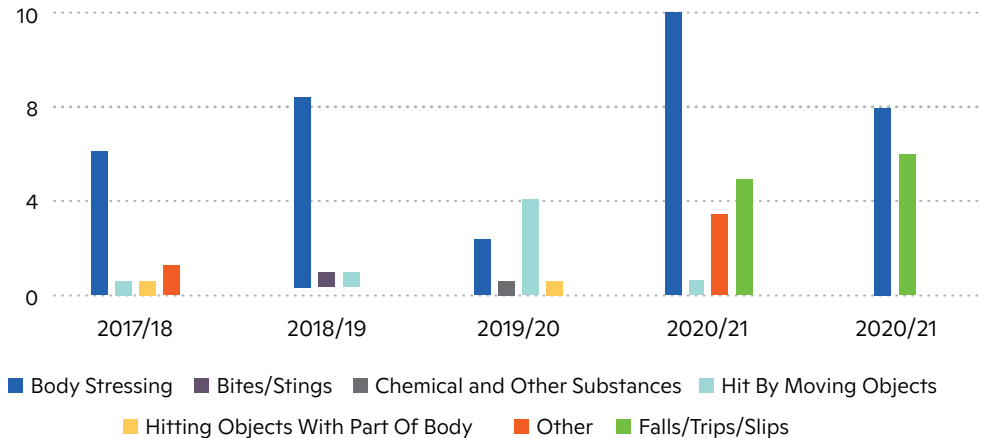

Occupational Safety and Health

In 2016, the City implemented the first Three Year OSH Strategic Plan to assist with the management of the City's safety systems. Since then, a range of actions have been implemented to improve the City's WHS culture and performance. The City is currently operating under the 2022-2025 WHS Strategic Plan.

Some of the 2021-2022 WHS highlights included:

- In 2020, the Western Australian Government passed the Work Health and Safety Act 2020 (WA) to replace the Occupational Safety and Health Act 1984 (WA), once the supporting WHS Regulations were finalised in March 2022 the new legislation became law with some transition arrangements. To assist the City align with the new regulations, a WHS Transition Plan was developed by the WHS Team and actions from the plan are being implemented.
- The expanded development of the OneCouncil WHS incident and investigation system which will provide the ability for an incident and investigation form to workflow through the system. It also provides real time visibility to Directors and Managers via a dashboard and allows enhanced tracking of investigations and actions.
- Development of the July 2022-2025 Work Health and Safety 3 Year WHS Corporate and Departmental Strategic Plans.

Access and Inclusion

Mandurah was named WA's Most Accessible Community at the WALGA AGM on September 20 2021, recognising efforts and leadership in creating an inclusive city for everyone and strengthening community connections. The City won the Most Accessible Community in WA Award, received first place in the 'Infrastructure and public open space inclusion and accessibility' category and second place in the 'Digital and technology accessibility initiatives' category.

The accolades reflect the City's commitment to ensuring services, places, spaces and community life are accessible and inclusive of everyone, delivering on a number of strategies from the City's Access and Inclusion Plan (AIP). The AIP provides a framework which assists the City to create a more accessible and inclusive community for people with disability in the areas of services and events, buildings and facilities, information, quality of service, feedback and complaints, public consultation and employment.

Over the last 12-months the City has made great progress towards the strategies in the AIP, achieving significant outcomes for people with disability, whilst working in partnership with community stakeholders and collaboratively across the organisation. Accomplishments include the delivery of the Estuary Pool (Kwillena Gabi Pool) which provides universal access via ramped access into the pool, a successful grant application to the Department of Communities for funding to build a Changing Places opposite the Estuary Pool (Kwillena Gabi Pool) which will further enhance the accessibility of the Eastern Foreshore precinct.

The City's Access and Inclusion Advisory Group (AIAG) assists the City to make progress towards the strategies in the AIP through providing a disability, access and inclusion lens over City-led and supported projects. A new Terms of Reference for the group has been developed and endorsed by Council along with appointment of a new chairperson and several new members. The group meets bi-monthly with full agendas covering innovative projects and guest speakers covering a variety of business areas across the organisation.

The City embodies a one team, one community approach to access and inclusion with examples of projects which have been delivered across business units, local businesses and organisations which have had a positive impact on the lives of people with disability. The Village Morning Tea is a peer network for everyone in the community, including people with disability, support workers and family members, and held once a fortnight at the Lakelands Library with craft activities, morning tea and lots of conversations. The Brighton Hotel, with support from community groups and a City of Mandurah community grant, have held welcoming and inclusive social events for people with disability which have been a sell out each time and proving to be successful for everyone involved.

The Wearable Art Relaxed Showcase Performance is another highlight which has received positive feedback from community and demonstrating that universal access can be enjoyed by everyone. The Relaxed Performance included the availability of a Social Story (to prepare families and individuals who may experience anxiety when attending a new place or event), Auslan interpreter, Chill Out Zone, tactile tour of a range of garments and audio descriptions of the garments.

The Inclusion in Sport Showcase event at the Rushton Park Sports Facility celebrated local sporting clubs that have embedded inclusion for people with disability into their club.

The increase in inclusive sporting clubs has been a result of a variety of City and community supports including access to training to increase awareness about disability and the value of inclusion. The City has provided a range of opportunities to staff that has supported an inclusive environment across the organisation including training delivered by the Youth Advisory Group, participating in training with the Youth Disability Advocacy Network (YDAN) and Disability Consultant Ben Sgherza who identifies as a person who is blind.

Information Management

Information Management Unit

The Information Management Unit is responsible for providing a records management service which complies with the City's records keeping plan, policy and procedures, and WA State Records Office requirements. The team is always willing to assist with any queries in relation to recordkeeping responsibilities, as well as providing end-user support for using OneCouncil-ECM or WeConnect.

Key achievements this financial year are:

- 2021/22 Information Statement reviewed and published
- Developed and implemented new online recordkeeping induction
- Development of Recordkeeping Training Strategy and Plan 2022-23
- Office of the Information Commissioner delivered FOI Awareness & Training to City staff and Elected Members
- Presentation to Elected Members for Recordkeeping responsibilities
- Preparedness and planning to transition from WeConnect to OneCouncil

The State Records Act 2000

The City of Mandurah, as a Local Government Authority, is required under the State Records Act 2000 (the Act) to provide an annual report, as outlined in the Record Keeping Plan.

Recordkeeping Compliance

The City is committed to the management of records in accordance with legislative requirements and standards. In accordance with section 28 of the State Records Act 2000 the current Record Keeping Plan (RKP) will be submitted by 24 October 2022 for State Records Commission review and approval.

The purpose of having a RKP is to ensure the City meets its statutory obligations and operationalises the legislative requirements into business practices. It articulates the principles of records management function and the approach to effective management of records.

Recordkeeping & Freedom of Information Induction Program

As a new employee, it is essential to complete the Information Management – Recordkeeping online induction. This is automatically sent via a Litmos dashboard to be completed as soon as you start with the City of Mandurah.

The induction outlines –

- What are records
- Why are records important
- Responsibilities
- When to create a record
- What records to capture
- Where to file a record
- How long to keep a record?

It also provides an overview of legislative frameworks for Recordkeeping and Freedom of Information, the penalties for non-compliance and a quiz for the user to complete.

Records Management Training Program

Training for new and existing employees is provided by the Information Management Unit.

Delivering a recordkeeping training program across the organisation aims to improve recordkeeping awareness, culture and practice, and to enable compliance with the City's Record Keeping Plan. The new Training Plan in 2022 provides direction for the IMU team to implement change and supports the pursuit of the strategic goals identified in the Recordkeeping Training Strategy 2021-2023.

Elected Members now have procedures enabling Elected Members to receive training in their recordkeeping responsibilities and the associated process at the commencement of their term of office.

Freedom of Information (FOI) gives the public a right to access government documents, subject to some limitations. In Western Australia, under the Freedom of Information Act 1992 (the FOI Act), the right applies to documents held by most State government agencies such as local governments. Documents accessible under the FOI Act include paper records, plans and drawings, photographs, tape recordings, films, videotapes or information stored in a computerised form.

Agencies are required to assist applicants to obtain access to documents at the lowest reasonable cost.

Anyone can also apply to have personal information about themselves in government documents amended if that information is inaccurate, incomplete, out of date or misleading.

	2021/22	2020/21	2019/20	2018/19	2017/18
FOI Applications Received	8	10	2	4	4
Average process time (days)	32	29	8	14.5	20
Decision Outcomes					
Access in Full	1	2	1	1	1
Access with Editing	6	6	1	3	3
Applications Withdrawn	-	1	-	-	-
Refused Access (Sec 26)	0	1	-	-	-
Access refused to all requested documents	1	-	-	-	-

Outside the Formal Process

Thinking outside the box: One of the most effective things agencies can do to achieve the objects of the FOI Act is to disclose information outside the FOI process unless there is a good reason not to do so. This can be done by proactively publishing information, or by providing requested information without the need for a formal FOI application

Number of Informal Enquiries

Number of enquiries received in which once the process was explained, scope clarified and discussed the information was able to be provided outside the formal FOI process or did not proceed.

22

Changes to the Strategic Community Plan and Corporate Business Plan

There were no major changes to the Strategic Community Plan 2020-2040 (SCP) or the Corporate Business Plan (CBP) during the financial year. A desktop review of the SCP was undertaken in line with legislation and published in May 2022.

An annual review of the CBP was also undertaken and new Plan adopted in June 2022.

If you need help to speak or listen you can use the National Relay Service on 1300 555 727. For more information visit relayservice.gov.au.

CITY OF MANDURAH
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 JUNE 2022

1. BASIS OF PREPARATION

The financial report comprises general purpose financial statements which have been prepared in accordance with the *Local Government Act 1995* and accompanying regulations.

Local Government Act 1995 requirements

Section 6.4(2) of the *Local Government Act 1995* read with the Local Government (Financial Management) Regulations 1996 prescribe that the financial report be prepared in accordance with the *Local Government Act 1995* and, to the extent that they are not inconsistent with the Act, the Australian Accounting Board were applied where no inconsistencies exist.

The Local Government (Financial Management) Regulations 1996 specify that vested land is a right-of-use asset to be measured at cost, and is considered a zero cost concessionary lease. All right-of-use assets under zero cost concessionary leases are measured at zero cost rather than at fair value, except for vested improvements on concessionary land leases such as roads, buildings or other infrastructure which continue to be reported at fair value, as opposed to the vested land which is measured at zero cost. The measurement of vested improvements at fair value is a departure from AASB 16 which would have required the City to measure any vested improvements at zero cost.

Accounting policies which have been adopted in the preparation of this financial report have been consistently applied unless stated otherwise. Except for cash flow and rate setting information, the financial report has been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

The local government reporting entity

All funds through which the City controls resources to carry on its functions have been included in the financial statements forming part of this financial report.

All monies held in the Trust Fund are excluded from the financial statements. A separate statement of those monies appears at Note 31 of the financial report.

Judgements and estimates

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The balances, transactions and disclosures impacted by accounting estimates are as follows:

- estimated fair value of certain financial assets
- impairment of financial assets
- estimation of fair values of land and buildings, infrastructure and investment property
- estimation uncertainties made in relation to lease accounting
- estimation of Interest rate swaps
- estimation of expected credit losses

	47,406,827	53,866,550

SIGNIFICANT ACCOUNTING POLICIES

Cash and cash equivalents

Cash and cash equivalents include cash on hand, cash at bank, deposits available on demand with banks and other short term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

Bank overdrafts are reported as short term borrowings in current liabilities in the statement of financial position.

Term deposits are presented as cash equivalents if they have a maturity of three months or less from the date of acquisition and are repayable with 24 hours notice with no loss of interest.

Restricted financial assets

Restricted financial asset balances are not available for general use by the local government due to externally imposed restrictions. Restrictions are specified in an agreement, contract or legislation. This applies to reserves, unspent grants, subsidies and contributions and unspent loans that have not been fully expended in the manner specified by the contributor, legislation or loan agreement and for which no liability has been recognised.

Details of restrictions on financial assets can be found at Note 19.

4. OTHER FINANCIAL ASSETS

(a) Current assets

Financial assets at amortised cost

Other financial assets at amortised cost

Term deposits

	406,720	129,162

SIGNIFICANT ACCOUNTING POLICIES

Other financial assets at amortised cost

The City classifies financial assets at amortised cost if the following criteria are met:

- the asset is held within a business model whose objective is to collect the contractual cashflows, and
- the contractual terms give rise to cash flows that are solely payments of principal and interest.
- term deposits with original terms greater than three months are classified as other financial assets at amortised cost.

Fair values of financial assets at amortised cost are not materially different to their carrying amounts, since the interest receivable on those assets is either close to current market rates or the assets are of a short term nature. Non-current financial assets at amortised cost fair values are based on discounted cash flows using a current market rates. They are classified as level 2 fair values in the fair value hierarchy (see Note 25 (i)) due to the observable market rates.

Interest received is presented under cashflows from operating activities in the Statement of Cash Flows where it is earned from financial assets that are held for cash management purposes.

Financial assets at fair value through profit and loss

The City classifies the following financial assets at fair value through profit and loss:

- debt investments which do not qualify for measurement at either amortised cost or fair value through other comprehensive income.
- equity investments which the City has not elected to recognise fair value gains and losses through other comprehensive income.

Impairment and risk

Information regarding impairment and exposure to risk can be found at Note 23.

Non-current			
Pensioner's rates and ESL deferred		1,545,959	1,475,315
		1,545,959	1,475,315

SIGNIFICANT ACCOUNTING POLICIES

Trade and other receivables

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for grants, contributions, reimbursements, and goods sold and services performed in the ordinary course of business.

Trade and other receivables are recognised initially at the amount of consideration that is unconditional, unless they contain significant financing components, when they are recognised at fair value.

Impairment and risk exposure

Information about the impairment of trade receivables and their exposure to credit risk and interest rate risk can be found in Note 23.

Classification and subsequent measurement

Receivables which are generally due for settlement within 30 days except rates receivables which are expected to be collected within 12 months are classified as current assets. All other receivables such as, deferred pensioner rates receivable after the end of the reporting period are classified as non-current assets.

Trade and other receivables are held with the objective to collect the contractual cashflows and therefore the City measures them subsequently at amortised cost using the effective interest rate method.

Due to the short term nature of current receivables, their carrying amount is considered to be the same as their fair value. Non-current receivables are indexed to value is considered immaterial.

6. INVENTORIES

Current	Note	2022	2021
		\$	\$
Fuel and materials		512,480	540,691
Land held for resale		445,000	0
		957,480	540,691

The following movements in inventories occurred during the year:

Balance at beginning of year	540,691	306,530
Inventory movement	416,789	234,161
Balance at end of year	957,480	540,691

SIGNIFICANT ACCOUNTING POLICIES

General

Inventories are measured at the lower of cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Land held for resale

Land held for development and resale is valued at the lower of cost and net realisable value. Cost includes the cost of acquisition, development, borrowing costs and holding costs until completion of development.

Land held for resale (Continued)

Borrowing costs and holding charges incurred after development is completed are expensed.

Gains and losses are recognised in profit or loss at the time of signing an unconditional contract of sale if significant risks and rewards, and effective control over the land, are passed onto the buyer at this point.

Land held for resale is classified as current except where it is held as non-current based on the Council's intentions to release for sale.

(a) Assets were identified during the 2022 financial year and have been included as "Found Assets".

These assets are existing assets not included in the financial statements previously. These assets have been recognised through the asset revaluation reserve in the current reporting period as it is impractical to restate the financials for the found assets. The City is undertaking a review of the asset database

**CITY OF MANDURAH
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 JUNE 2022**

8. PROPERTY, PLANT AND EQUIPMENT (Continued)

(b) Carrying Value Measurements

Asset Class	Fair Value Hierarchy	Valuation Technique	Basis of Valuation	Date of Last Valuation	Inputs Used
(i) Fair Value					
Land and buildings					
Land		Market Approach	Independent registered valuer	June 2022	Selection of Land similar approximate utility
Buildings - non-specialised		Depreciated Replacement Cost	Independent registered valuer	June 2022	Historical cost per square floor area. Consumed benefit/obsolescence of asset.

Level 3 inputs are based on assumptions with regards to future values and patterns of consumption utilising current information. If the basis of these assumptions were varied, they have the potential to result in a significantly higher or lower fair value measurement.

During the period there were no changes in the valuation techniques used by the local government to determine the fair value of property, plant and equipment using either level 2 or level 3 inputs.

10. FIXED ASSETS (Continued)

SIGNIFICANT ACCOUNTING POLICIES

Fixed assets

Each class of fixed assets within either property, plant and equipment or infrastructure, is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation and impairment losses.

Initial recognition and measurement for assets held at cost

Plant and equipment including furniture and equipment is recognised at cost on acquisition in accordance with *Financial Management Regulation 17A*. Where acquired at no cost the asset is initially recognised at fair value. Assets held at cost are depreciated and assessed for indicators of impairment annually.

Initial recognition and measurement between mandatory revaluation dates for assets held at fair value

Assets for which the fair value as at the date of acquisition is under \$5,000 are not recognised as an asset in accordance with *Financial Management Regulation 17A (5)*. These assets are expensed immediately.

Where multiple individual low value assets are purchased together as part of a larger asset or collectively forming a larger asset exceeding the threshold, the individual assets are recognised as one asset and capitalised.

In relation to this initial measurement, cost is determined as the fair value of the assets given as consideration plus costs incidental to the acquisition. For assets acquired at zero cost or otherwise significantly less than fair value, cost is determined as fair value at the date of acquisition. The cost of non-current assets constructed by the City includes the cost of all materials used in construction, direct labour on the project and an appropriate proportion of variable and fixed overheads.

Individual assets that are land, buildings, infrastructure and investment properties acquired between scheduled revaluation dates of the asset class in accordance with the mandatory measurement framework, are recognised at cost and disclosed as being at fair value as management believes cost approximates fair value. They are subject to subsequent revaluation at the next revaluation date in accordance with the mandatory measurement framework.

Revaluation

The fair value of land, buildings, infrastructure and investment properties is determined at least every five years in accordance with the regulatory framework. This includes buildings and infrastructure items which were pre-existing improvements (i.e. vested improvements) on vested land acquired by the City.

At the end of each period the carrying amount for each asset class is reviewed and where appropriate the fair value is updated to reflect current market conditions. This process is considered to be in accordance with *Local Government (Financial Management) Regulation 17A (2)* which requires land, buildings, infrastructure, investment properties and vested improvements to be shown at fair value.

Revaluation (continued)

For property, plant and equipment and infrastructure, increases in the carrying amount arising on revaluation of assets are credited to a revaluation surplus in equity. Decreases that offset previous increases of the same class of asset are recognised against revaluation surplus directly in equity. All other decreases are recognised in profit or loss. Subsequent increases are then recognised in profit or loss to the extent they reverse a net revaluation decrease previously recognised in profit or loss for the same class of asset.

Depreciation

The depreciable amount of all property, plant and equipment and infrastructure, are depreciated on a straight-line basis over the individual asset's useful life from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful life of the improvements.

The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in the statement of comprehensive income in the period in which they arise.

Depreciation on revaluation

When an item of property, plant and equipment and infrastructure is revalued, any accumulated depreciation at the date of the revaluation is treated in one of the following ways:

- (i) The gross carrying amount is adjusted in a manner that is consistent with the revaluation of the carrying amount of the asset. For example, the gross carrying amount may be restated by reference to observable market data or it may be restated proportionately to the change in the carrying amount. The accumulated depreciation at the date of the revaluation is adjusted to equal the difference between the gross carrying amount and the carrying amount of the asset after taking into account accumulated impairment losses; or
- (ii) Eliminated against the gross carrying amount of the asset and the net amount restated to the revalued amount of the asset.

The City has adopted the first option above.

Amortisation

All intangible assets with a finite useful life, are amortised on a straight-line basis over the individual asset's useful life from the time the asset is held ready for use.

The residual value of intangible assets is considered to be zero and the useful life and amortisation method are reviewed at the end of each financial year.

Amortisation is included within depreciation in the Statement of Comprehensive Income and in Note 10(a).

Non-current		80,486	347,168
	29(d)	451,684	785,965

Secured liabilities and assets pledged as security

Lease liabilities are effectively secured, as the rights to the leased assets recognised in the financial statements revert to the lessor in the event of default.

SIGNIFICANT ACCOUNTING POLICIES

Leases

At inception of a contract, the City assesses if the contract contains or is a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

At the commencement date, a right-of-use asset is recognised at cost and lease liability at the present value of the lease payments that are not paid at that date. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the City uses its incremental borrowing rate.

All contracts that are classified as short-term leases (i.e. a lease with a term of 12 months or less) and leases of low value assets are recognised as an operating expense on a straight-line basis over the term of the lease.

Leases for right-of-use assets are secured over the asset being leased.

Details of individual lease liabilities required by regulations are provided at Note 29(d).

Right-of-use assets - valuation measurement

Right-of-use assets are measured at cost. This means that all right-of-use assets (other than vested improvements) under zero cost concessionary leases are measured at zero cost (i.e. not included in the Statement of Financial Position). The exception is vested improvements on concessionary land leases such as roads, buildings or other infrastructure which are reported at fair value.

Refer to Note 10 under revaluation for details on the significant accounting policies applying to vested improvements.

Right-of-use assets - depreciation

Right-of-use assets are depreciated over the lease term or useful life of the underlying asset, whichever is the shorter. Where a lease transfers ownership of the underlying asset, or the cost of the right-of-use asset reflects that the

City anticipates to exercise a purchase option, the specific asset is amortised over the useful life of the underlying asset.

CITY OF MANDURAH
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 JUNE 2022

11. LEASES (Continued)

(c) Lessor - Property, Plant and Equipment Subject to Lease

The table below represents a maturity analysis of the undiscounted lease payments to be received after the reporting date.

Less than 1 year
 1 to 2 years
 2 to 3 years

	2022 Actual	2021 Actual
	\$	\$
	278,881	337,319
	0	383,910
	0	0
	278,881	721,229

Lease payments for some contracts include CPI increases, but there are no other variable lease payments that depend on an index or rate. Although the City is exposed to changes in the residual value at the end of the current leases, the City typically enters into new operating leases and therefore will not immediately realise any reduction in residual value at the end of these leases. Expectations about the future residual values are reflected in the fair value of the properties.

Refer to note 12 for details of leased investment property

SIGNIFICANT ACCOUNTING POLICIES

The City as Lessor

Upon entering into each contract as a lessor, the City assesses if the lease is a finance or operating lease.

The contract is classified as a finance lease when the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases not within this definition are classified as operating leases. Rental income received from operating leases is recognised on a straight-line basis over the term of the specific lease.

Initial direct costs incurred in entering into an operating lease (eg legal cost, cost to setup) are included in the carrying amount of the leased asset and recognised as an expense on a straight-line basis over the lease term.

When a contract is determined to include lease and non-lease components, the City applies AASB 15 to allocate the consideration under the contract to each component.

CITY OF MANDURAH

Fair value gain recognised in other income	6,137,308	0	0

Leasing arrangements

Investment properties are leased to tenants under long-term operating leases with rentals payable monthly. Minimum lease payments receivable on leases of investment properties are as follows:

Minimum lease payments under non-cancellable operating leases of investment properties not recognised in the financial statements are receivable as follows:

Less than 1 year	551,651	0	705,951
1 to 2 years	285,717	0	270,235
2 to 3 years	0	0	0
3 to 4 years	0	0	0
4 to 5 years	0	0	0
> 5 years	0	0	0
	837,368	0	976,186

SIGNIFICANT ACCOUNTING POLICIES

Investment properties

Investment properties are principally freehold buildings, held for long-term rental yields and not occupied by the City. Investment properties are carried at fair value. In accordance with the significant accounting policies disclosed at Note 10.

Fair value of investment properties

A management valuation was performed to determine the fair value of investment properties. The main Level 3 inputs used in the valuation were discount rates, terminal yields, expected vacancy rates and rental growth rates estimated by management based on comparable transactions and industry data.

	403,656	239,798
	17,443,277	16,239,800

SIGNIFICANT ACCOUNTING POLICIES

Financial liabilities

Financial liabilities are initially recognised at fair value when the City becomes a party to the contractual provisions of the instrument.

Non-derivative financial liabilities (excluding financial guarantees) are subsequently measured at amortised cost.

Financial liabilities are derecognised where the related obligations are discharged, cancelled or expired. The difference between the carrying amount of the financial liability extinguished or transferred to another party and the fair value of the consideration paid, including the transfer of non-cash assets or liabilities assumed, is recognised in profit or loss.

Trade and other payables

Trade and other payables represent liabilities for goods and services provided to the City prior to the end of the financial year that are unpaid and arise when the City becomes obliged to make future payments in respect of the purchase of these goods and services.

The amounts are unsecured, are recognised as a current liability and are usually paid within 30 days of recognition. The carrying amounts of trade and other payables are considered to be the same as their fair values, due to their short-term nature.

Prepaid rates

Prepaid rates are, until the taxable event has occurred (start of the next financial year), refundable at the request of the ratepayer. Rates received in advance are initially recognised as a financial liability. When the taxable event occurs, the financial liability is extinguished and the City recognises revenue for the prepaid rates that have not been refunded.

	<u>6,530,034</u>	<u>6,602,155</u>

Performance obligations in relation to capital grant/contribution liabilities are satisfied as project milestones are met or completion of construction or acquisition of the asset.

SIGNIFICANT ACCOUNTING POLICIES

Contract liabilities

Contract liabilities represent the City's obligation to transfer goods or services to a customer for which the City has received consideration from the customer.

Contract liabilities represent obligations which are not yet satisfied. Contract liabilities are recognised as revenue when the performance obligations in the contract are satisfied.

Capital grant/contribution liabilities

Capital grant/contribution liabilities represent the City's obligations to construct recognisable non-financial assets to identified specifications to be controlled by the City, which are yet to be satisfied. Capital grant/contribution liabilities are recognised as revenue when the obligations in the contract are satisfied.

Non-current capital grant/contribution liabilities fair values are based on discounted cash flows of expected cashflows to satisfy the obligations using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy (see Note 25(i)) due to the unobservable inputs, including own credit risk.

Interest bearing liabilities

Interest-bearing liabilities are recognised initially at fair value and net of directly attributable transaction costs.

After initial recognition, the interest-bearing liabilities are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit or loss.

Interest rate swap

The City uses derivative financial instruments, interest rate swaps, to hedge its interest rate risks. Such derivatives are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently remeasured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative. The balance at 30 June 2022 relates to a floating to fix swap with original notional amount of \$12 million. The fair value was determined by the bank using its valuation model (level 2 fair value).

CITY OF MANDURAH
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT

Total secured borrowings	29(a)	4,710,362	19,142,781	23,853,143	5,677,779	18,883,553	24,561,332

Secured liabilities and assets pledged as security

Debentures, bank overdrafts and bank loans are secured by a floating charge over the assets of the City of Mandurah.

The City of Mandurah has complied with the financial covenants of its borrowing facilities during the 2022 and 2021 years.

SIGNIFICANT ACCOUNTING POLICIES

Borrowing costs

Borrowing costs are recognised as an expense when incurred except where they are directly attributable to the acquisition, construction or production of a qualifying asset. Where this is the case, they are capitalised as part of the cost of the particular asset until such time as the asset is substantially ready for its intended use or sale.

Fair values of borrowings are not materially different to their carrying amounts, since the interest payable on those borrowings is either close to current market rates or the borrowings are of a short term nature.

Borrowings fair values are based on discounted cash flows using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy (see Note 25(i)) due to the unobservable inputs, including own credit risk.

Risk

Information regarding exposure to risk can be found at Note 23.

Details of individual borrowings required by regulations are provided at Note 29(a).

Expected reimbursements of employee related provisions from other WA local governments included within other receivables

5	-	25,279
---	---	--------

SIGNIFICANT ACCOUNTING POLICIES

Employee benefits

The City's obligations for employees' annual leave, long service leave and other employee leave entitlements are recognised as employee related provisions in the Statement of Financial Position.

Short-term employee benefits

Provision is made for the City's obligations for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The City's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the statement of financial position.

Other long-term employee benefits

Long-term employee benefits provisions are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Any remeasurements for changes in assumptions of obligations for other long-term employee benefits are recognised in profit or loss in the periods in which the changes occur.

The City's obligations for long-term employee benefits are presented as non-current provisions in its statement of financial position, except where the City does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current provisions.

Comprises			
Current		671,448	671,448
		671,448	671,448

Other provisions

Amounts in relation to Worker's Compensation which are reliably expected to be paid out within 12 months of the reporting date are classified as current. Exact timing of payment of non-current obligations is unable to be reliably estimated as it is dependent on factors beyond the control of the local government.

Provisions

Provisions are recognised when the City has a present legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

CITY OF MANDURAH
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 JUNE 2022

22. RELATED PARTY TRANSACTIONS

(b) Key Management Personnel (KMP) Compensation

The total of compensation paid to KMP of the City during the year are as follows:

	2022 Actual	2021 Actual
	\$	\$
Short-term benefits - employee	1,917,422	1,735,603
Short-term benefits - Council member	600,428	577,563
Post-employment benefits	286,351	256,325
Employee - other long-term benefits	47,336	43,568
Employee - termination benefits	35,789	0
	2,887,326	2,613,059

Short-term employee benefits

These amounts include all salary and fringe benefits awarded to KMP except for details in respect to fees and benefits paid to council members which may be separately found in the table above.

Post-employment benefits

These amounts are the current-year's cost of the City's superannuation contributions made during the year.

Other long-term benefits

These amounts represent annual leave and long service leave entitlements accruing during the year.

Termination benefits

These amounts represent termination benefits paid to KMP (Note: may or may not be applicable in any given year).

Council member costs

These amounts represent payments of member fees, expenses, allowances and reimbursements during the year.

(c) Transactions with related parties

Transactions between related parties and the City are on normal commercial terms and conditions, no more favourable than those available to other parties, unless otherwise stated.

No outstanding balances or provisions for doubtful debts or guarantees exist in relation to related parties at year end.

In addition to KMP compensation above the following transactions occurred with related parties:

	2022 Actual	2021 Actual
	\$	\$
Purchase of goods and services *	832,513	716,636
Short term employee benefits - other related parties	0	630

* relates to funding for the Mandurah Performing Arts Centre

(d) Related Parties

The City's main related parties are as follows:

i. Key management personnel

Any person(s) having authority and responsibility for planning, directing and controlling the activities of the entity, directly or indirectly, including any council member, are considered key management personnel.

ii. Other Related Parties

An associate person of KMP was employed by the City under normal employment terms and conditions.

Any entity that is controlled by or over which KMP, or close family members of KMP, have authority and responsibility for planning, directing and controlling the activity of the entity, directly or indirectly, are considered related parties in relation to the City.

iii. Entities subject to significant influence by the City

An entity that has the power to participate in the financial and operating policy decisions of an entity, but does not have control over those policies, is an entity which holds significant influence. Significant influence may be gained by share ownership, statute or agreement.

CITY OF MANDURAH
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 JUNE 2022

23. FINANCIAL RISK MANAGEMENT

This note explains the City's exposure to financial risks and how these risks could affect the City's future financial performance.

Risk	Exposure arising from	Measurement	Management
Market risk - interest rates	Long term borrowings at variable rates	Sensitivity analysis	Utilise fixed interest rate borrowings
Credit risk	Cash and cash equivalents, trade receivables, financial assets and debt investments	Aging analysis Credit analysis	Diversification of bank deposits, credit limits. Investment policy
Liquidity risk	Borrowings and other liabilities	Rolling cash flow forecasts	Availability of committed credit lines and borrowing facilities

The City does not engage in transactions expressed in foreign currencies and is therefore not subject to foreign currency risk.

Financial risk management is carried out by the finance area under policies approved by the Council. The finance area identifies, evaluates and manages financial risks in close co-operation with the operating divisions. Council have approved the overall risk management policy and provide policies on specific areas such as investment policy.

(a) Interest rate risk

Cash and cash equivalents

The City's main interest rate risk arises from cash and cash equivalents with variable interest rates, which exposes the City to cash flow interest rate risk. Short term overdraft facilities also have variable interest rates however these are repaid within 12 months, reducing the risk level to minimal.

Excess cash and cash equivalents are invested in fixed interest rate term deposits which do not expose the City to cash flow interest rate risk. Cash and cash equivalents required for working capital are held in variable interest rate accounts and non-interest bearing accounts. Carrying amounts of cash and cash equivalents at the 30 June and the weighted average interest rate across all cash and cash equivalents, term deposits, and Treasury bonds held disclosed as financial assets at amortised cost are reflected in the table below.

	Weighted Average Interest Rate	Carrying Amounts	Fixed Interest Rate	Variable Interest Rate	Non Interest Bearing
	%	\$	\$	\$	\$
2022					
Cash and cash equivalents	0.42%	47,406,827	28,666,112	18,740,715	
Financial assets at amortised cost - term deposits	1.55%	24,054,319	24,054,319	0	
2021					
Cash and cash equivalents	0.90%	53,866,550	35,752,048	18,114,502	
Financial assets at amortised cost - term deposits	0.36%	9,015,866	9,015,866	0	

Sensitivity

Profit or loss is sensitive to higher/lower interest income from cash and cash equivalents as a result of changes in interest rates.

	2022	2021
	\$	\$
Impact of a 1% movement in interest rates on profit and loss and equity*	187,407	181,145

* Holding all other variables constant

Borrowings

Borrowings are subject to interest rate risk - the risk that movements in interest rates could adversely affect funding costs. The City manages this risk by borrowing long term and fixing the interest rate to the situation considered the most advantageous at the time of negotiation. The City does not consider there to be any interest rate risk in relation to borrowings. Details of interest rates applicable to each borrowing may be found at Note 29(a).

CITY OF MANDURAH
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 JUNE 2022

23. FINANCIAL RISK MANAGEMENT (Continued)

(b) Credit risk

Trade and Other Receivables

The City's major receivables comprise rates annual charges and user fees and charges. The major risk associated with these receivables is credit risk – the risk that the debts may not be repaid. The City manages this risk by monitoring outstanding debt and employing debt recovery policies. It also encourages ratepayers to pay rates by the due date through incentives.

Credit risk on rates and annual charges is minimised by the ability of the City to recover these debts as a secured charge over the land, that is, the land can be sold to recover the debt. The City is able to charge interest on overdue rates and annual charges at higher than market rates, which further encourages payment.

The level of outstanding receivables is reported to Council monthly and benchmarks are set and monitored for acceptable collection performance.

The City applies the AASB 9 simplified approach to measuring expected credit losses using a lifetime expected loss allowance for all trade receivables. To measure the expected credit losses, rates receivable are separated from other trade receivables due to the difference in payment terms and security for rates receivable.

The expected loss rates are based on the payment profiles of rates and fees and charges over a period of 36 months before 1 July 2021 or 1 July 2022 respectively and the corresponding historical losses experienced within this period. Historical credit loss rates are adjusted to reflect current and forward-looking information on macroeconomic factors such as the ability of ratepayers and residents to settle the receivables. Housing prices and unemployment rates have been identified as the most relevant factor in repayment rates, and accordingly adjustments are made to the expected credit loss rate based on these factors.

The loss allowance as at 30 June 2022 and 30 June 2021 for rates receivable was determined as follows:

	Less than 1 year past due	More than 1 year past due	More than 2 years past due	More than 3 years past due	Total	Note
30 June 2022						
Rates receivable						
Expected credit loss	0.00%	0.00%	0.00%	0.00%		
Gross carrying amount	219,207	209,838	222,409	3,222,194	3,873,648	
Loss allowance	0	0	0	0	0	5
30 June 2021						
Rates receivable						
Expected credit loss	0.00%	0.00%	0.00%	0.00%		
Gross carrying amount	357,628	53,884	224,212	4,327,358	4,963,082	
Loss allowance	0	0	0	0	0	5

The loss allowance as at 30 June 2022 and 30 June 2021 was determined as follows for trade receivables.

	Less than 1 month past due	More than 30 days past due	More than 60 days past due	More than 90 days past due	Total	
30 June 2022						
Trade and other receivables						
Expected credit loss	2.13%	0.58%	0.07%	6.69%		
Gross carrying amount	1,172,191	92,852	13,535	949,912	2,228,490	
Loss allowance	47,423	12,854	1,449	149,144	210,870	5
30 June 2021						
Trade and other receivables						
Expected credit loss	0.002%	5.00%	0.002%	6.00%		
Gross carrying amount	838,820	306,964	57,357	355,731	1,558,872	
Loss allowance	2,985	74,979	3,698	76,948	158,610	5

CITY OF MANDURAH
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 JUNE 2022

23. FINANCIAL RISK MANAGEMENT (Continued)

(b) Credit risk

The loss allowances for trade receivables and contract assets as at 30 June reconcile to the opening loss allowances as follows:

	Rates receivable		Trade and other receivables		Contract Assets	
	2022 Actual	2021 Actual	2022 Actual	2021 Actual	2022 Actual	2021 Actual
Opening loss allowance as at 1 July	\$ 0	\$ 0	\$ 158,610	\$ 139,014	\$ 0	\$ 0
Increase in loss allowance recognised in profit or loss during the year	0	0	200,566	19,596	0	0
Receivables written off during the year as uncollectible	0	0	(148,306)	0	0	0
Closing loss allowance at 30 June	0	0	210,870	158,610	0	0

Trade receivables and contract assets are written off where there is no reasonable expectation of recovery. Indicators that there is no reasonable expectation of recovery include, amongst others, the failure of a debtor to engage in a repayment plan with the City, and a failure to make contractual payments for a period of greater than 120 days past due.

Impairment losses on trade receivables and contract assets are presented as net impairment losses within operating profit. Subsequent recoveries of amounts previously written off are credited against the same line item.

Contract Assets

The City's contract assets represent work completed, which have not been invoiced at year end. This is due to the City not having met all the performance obligations in the contract which give an unconditional right to receive consideration. The City applies the simplified approach to measure expected credit losses which uses a lifetime expected loss allowance for all contract assets. To measure the expected credit losses, contract assets have been grouped based on shared credit risk characteristics and the days past due. Contract assets have substantially the same risk characteristics as the trade receivables for the same types of contracts. The City has therefore concluded that the expected loss rates for trade receivables are a reasonable approximation of the loss rates for the contract assets.

CITY OF MANDURAH
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 JUNE 2022

23. FINANCIAL RISK MANAGEMENT (Continued)

(c) Liquidity risk

Payables and borrowings

Payables and borrowings are both subject to liquidity risk – that is the risk that insufficient funds may be on hand to meet payment obligations as and when they fall due. The City manages this risk by monitoring its cash flow requirements and liquidity levels and maintaining an adequate cash buffer. Payment terms can be extended and overdraft facilities drawn upon if required and disclosed in Note 19(c).

The contractual undiscounted cash flows of the City's payables and borrowings are set out in the liquidity table below. Balances due within 12 months equal their carrying balances, as the impact of discounting is not significant.

	Due within 1 year	Due between 1 & 5 years	Due after 5 years	Total contractual cash flows	Carrying values
	\$	\$	\$	\$	\$
<u>2022</u>					
Trade and other payables	17,443,277	0	0	17,443,277	17,443,277
Borrowings	4,710,362	15,434,858	3,707,923	23,853,143	23,853,143
Interest bearing liabilities	829,801	3,139,012	1,057,013	5,025,826	3,842,636
Lease liabilities	422,074	29,610	0	451,684	451,684
	<u>23,405,514</u>	<u>18,603,480</u>	<u>4,764,936</u>	<u>46,773,930</u>	<u>45,590,740</u>
<u>2021</u>					
Trade and other payables	16,239,800	0	0	16,239,800	16,239,800
Borrowings	5,677,779	15,300,924	6,954,720	27,933,423	24,561,332

Lease liabilities	531,743	354,136	0	885,879	785,965
	<u>23,031,103</u>	<u>17,878,640</u>	<u>8,244,605</u>	<u>49,154,348</u>	<u>44,431,590</u>

**CITY OF MANDURAH
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 JUNE 2022**

24. EVENTS OCCURRING AFTER THE END OF THE REPORTING PERIOD

No events occurred after balance sheet date.

25. OTHER SIGNIFICANT ACCOUNTING POLICIES

a) Goods and services tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows.

b) Current and non-current classification

The asset or liability is classified as current if it is expected to be settled within the next 12 months, being the City's operational cycle. In the case of liabilities where the City does not have the unconditional right to defer settlement beyond 12 months, such as vested long service leave, the liability is classified as current even if not expected to be settled within the next 12 months. Inventories held for trading are classified as current or non-current based on the City's intentions to release for sale.

c) Rounding off figures

All figures shown in this annual financial report, other than a rate in the dollar, are rounded to the nearest dollar. Amounts are presented in Australian Dollars.

d) Comparative figures

Where required, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

When the City applies an accounting policy retrospectively, makes a retrospective restatement or reclassifies items in its financial statements that has a material effect on the statement of financial position, an additional (third) Statement of Financial Position as at the beginning of the preceding period in addition to the minimum comparative financial statements is presented.

e) Budget comparative figures

Unless otherwise stated, the budget comparative figures shown in this annual financial report relate to the original budget estimate for the relevant item of disclosure.

f) Superannuation

The City contributes to a number of Superannuation Funds on behalf of employees. All funds to which the City contributes are defined contribution plans.

g) Fair value of assets and liabilities

Fair value is the price that the City would receive to sell the asset or would have to pay to transfer a liability, in an orderly (i.e. unforced) transaction between independent, knowledgeable and willing market participants at the measurement date.

As fair value is a market-based measure, the closest equivalent observable market pricing information is used to determine fair value. Adjustments to market values may be made having regard to the characteristics of the specific asset or liability. The fair values of assets that are not traded in an active market are determined using one or more valuation techniques. These valuation techniques maximise, to the extent possible, the use of observable market data.

To the extent possible, market information is extracted from either the principal market for the asset or liability (i.e. the market with the greatest volume and level of activity for the asset or liability) or, in the absence of such a market, the most advantageous market available to the entity at the end of the reporting period (i.e. the market that maximises the receipts from the sale of the asset after taking into account transaction costs and transport costs).

For non-financial assets, the fair value measurement also takes into account a market participant's ability to use the asset in its highest and best use or to sell it to another market participant that would use the asset in its highest and best use.

h) Interest earnings

Interest income is calculated by applying the effective interest rate to the gross carrying amount of a financial asset measured at amortised cost except for financial assets that subsequently become credit-impaired. For credit-impaired financial assets the effective interest rate is applied to the net carrying amount of the financial asset (after deduction of the loss allowance).

i) Fair value hierarchy

AASB 13 requires the disclosure of fair value information by level of the fair value hierarchy, which categorises fair value measurement into one of three possible levels based on the lowest level that an input that is significant to the measurement can be categorised into as follows:

Level 1

Measurements based on quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date.

Level 2

Measurements based on inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3

Measurements based on unobservable inputs for the asset or liability.

The fair values of assets and liabilities that are not traded in an active market are determined using one or more valuation techniques. These valuation techniques maximise, to the extent possible, the use of observable market data. If all significant inputs required to measure fair value are observable, the asset or liability is included in Level 2. If one or more significant inputs are not based on observable market data, the asset or liability is included in Level 3.

Valuation techniques

The City selects a valuation technique that is appropriate in the circumstances and for which sufficient data is available to measure fair value. The availability of sufficient and relevant data primarily depends on the specific characteristics of the asset or liability being measured. The valuation techniques selected by the City are consistent with one or more of the following valuation approaches:

Market approach

Valuation techniques that use prices and other relevant information generated by market transactions for identical or similar assets or liabilities.

Income approach

Valuation techniques that convert estimated future cash flows or income and expenses into a single discounted present value.

Cost approach

Valuation techniques that reflect the current replacement cost of the service capacity of an asset.

Each valuation technique requires inputs that reflect the assumptions that buyers and sellers would use when pricing the asset or liability, including assumptions about risks. When selecting a valuation technique, the City gives priority to those techniques that maximise the use of observable inputs and minimise the use of unobservable inputs. Inputs that are developed using market data (such as publicly available information on actual transactions) and reflect the assumptions that buyers and sellers would generally use when pricing the asset or liability are considered observable, whereas inputs for which market data is not available and therefore are developed using the best information available about such assumptions are considered unobservable.

j) Impairment of assets

In accordance with Australian Accounting Standards the City's cash generating non-specialised assets, other than inventories, are assessed at each reporting date to determine whether there is any indication they may be impaired.

Where such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, to the asset's carrying amount.

Any excess of the asset's carrying amount over its recoverable amount is recognised immediately in profit or loss, unless the asset is carried at a revalued amount in accordance with another Standard (e.g. AASB 116) whereby any impairment loss of a revalued asset is treated as a revaluation decrease in accordance with that other Standard.

For non-cash generating specialised assets that are measured under the revaluation model, such as roads, drains, public buildings and the like, no annual assessment of impairment is required. Rather AASB 116.31 applies and revaluations need only be made with sufficient regularity to ensure the carrying value does not differ materially from that which would be determined using fair value at the end of the reporting period.

k) Initial application of accounting standards

During the current year, no new or revised Australian Accounting Standards and Interpretations were compiled, became mandatory and were applicable to its operations.

New accounting standards for application in future years

The following new accounting standards will have application to local government in future years:

- AASB 2020-1 Amendments to Australian Accounting Standards - Classification of Liabilities as Current or Non-current
- AASB 2020-3 Amendments to Australian Accounting Standards - Annual Improvements 2018-2020 and Other Amendments
- AASB 2021-2 Amendments to Australian Accounting Standards - Disclosure of Accounting Policies or Definition of Accounting Estimates
- AASB 2021-7 Amendments to Australian Accounting Standards – Effective Date of Amendments to AASB 10 and AASB 128 and Editorial Corrections

It is not expected these standards will have an impact on the financial report.

**CITY OF MANDURAH
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 JUNE 2022**

26. FUNCTION AND ACTIVITY

(a) Service objectives and descriptions

City operations as disclosed in this financial report encompass the following service orientated functions and activities.

Objective	Description
<p>Governance To provide a decision making process for the efficient allocation of scarce resources.</p>	Includes the activities of members of Council and the administrative support available to the Council for the provision of governance of the district. Other costs relate to the task of assisting elected members and ratepayers on matters which do not concern specific local government services.
<p>General purpose funding To collect revenue to allow for the provision of services.</p>	Rates, general purpose government grants and interest revenue.
<p>Law, order, public safety To provide services to help ensure a safer and environmentally conscious community.</p>	Supervision of various local laws relating to fire prevention, animal control and other aspects of public safety including emergency services.
<p>Health To provide an operational framework for environmental and community health.</p>	Supervision of local laws, food control, mosquito and disease control.
<p>Education and welfare To provide services to disadvantaged persons, the elderly, children and youth.</p>	Operation of senior citizen's centre, youth centre and assistance to various community and voluntary services associated with families, children, aged and disabled.
<p>Community amenities To provide services required by the community.</p>	Rubbish collection services, recycling services, operation of transfer station, cemetery services, administration of town planning scheme and protection of the environment.
<p>Recreation and culture To establish and effectively manage infrastructure and resources which will help the social well being of the community.</p>	Maintenance of halls, parks, playgrounds, sports grounds, recreation centres, various reserves and beaches; operation of libraries and other arts and cultural facilities.
<p>Transport To provide safe, effective and efficient transport services to the community.</p>	Construction and maintenance of roads, drainage, works, footpaths, parking facilities and traffic signs. Maintenance of bus shelters and cleaning of streets.
<p>Economic services To help promote the local government and its economic wellbeing.</p>	Marketing & promotion of tourism, visitor centres, economic development, implementation of building and development controls.
<p>Other property and services To monitor and control operating accounts.</p>	Private works, administration and public works overheads, works depots and council plant operations.

Auditor General

INDEPENDENT AUDITOR'S REPORT 2022 City of Mandurah

To the Councillors of the City of Mandurah

Opinion

I have audited the financial report of the City of Mandurah (City) which comprises:

- the Statement of Financial Position at 30 June 2022, and the Statement of Comprehensive Income by Nature or Type, Statement of Changes in Equity, Statement of Cash Flows and Rate Setting Statement for the year then ended.
- Notes comprising a summary of significant accounting policies and other explanatory information.

In my opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion section of our report, the financial report:

- is based on proper accounts and records
- presents fairly, in all material respects, the results of the operations of the City for the year ended 30 June 2022 and its financial position at the end of that period
- is in accordance with the *Local Government Act 1995* (the Act) and, to the extent that they are not inconsistent with the Act, Australian Accounting Standards.

Basis for qualified opinion

As detailed in Notes 8 and 9 to the financial report, at 30 June 2022 the total carrying value of the City's property plant and equipment assets was \$272.2 million and infrastructure assets was \$761.9 million. For property, plant and equipment and infrastructure recorded at fair value, any movements are recognised in revaluation surplus, the balance of which was \$808.7 million at 30 June 2022. For the year ended 30 June 2022, the City recognised a depreciation expense of \$32.4 million and changes in the asset revaluation surplus of \$97.0 million in relation to these assets in the Statement of Comprehensive Income by Nature or Type.

Management have indicated that there are gaps in their control processes and they are not confident with the overall completeness of their fixed asset register at 30 June 2022.

Consequently, I was unable to obtain sufficient appropriate audit evidence that all property, plant and equipment and infrastructure had been recorded and valued nor could I confirm this by alternative means. I am therefore unable to determine whether any adjustments to property, plant and equipment, infrastructure, revaluation surplus, depreciation expense and changes in asset revaluation surplus were necessary.

Basis for opinion

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial report section below.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Other information

The Chief Executive Officer (CEO) is responsible for the preparing and the Council for overseeing, the other information. The other information is the information in the entity's annual report for the year ended 30 June 2022, but not the financial report and my auditor's report.

My opinion on the financial report does not cover the other information and, accordingly, I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial report, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or my knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Responsibilities of the Chief Executive Officer and Council for the financial report

The Chief Executive Officer of the City is responsible for:

- preparation and fair presentation of the financial report in accordance with the requirements of the Act, the Regulations and Australian Accounting Standards
- managing internal control as required by the CEO to ensure the financial report is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the CEO is responsible for:

- assessing the City's ability to continue as a going concern
- disclosing, as applicable, matters related to going concern
- using the going concern basis of accounting unless the State Government has made decisions affecting the continued existence of the City.

The Council is responsible for overseeing the City's financial reporting process.

Auditor's responsibilities for the audit of the financial report

As required by the *Auditor General Act 2006*, my responsibility is to express an opinion on the financial report. The objectives of my audit are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.

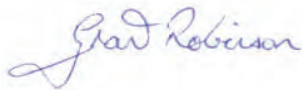

A further description of my responsibilities for the audit of the financial report is located on the Auditing and Assurance Standards Board website. This description forms part of my auditor's report and can be found at https://www.auasb.gov.au/auditors_responsibilities/ar4.pdf.

My independence and quality control relating to the report on the financial report

I have complied with the independence requirements of the *Auditor General Act 2006* and the relevant ethical requirements relating to assurance engagements. In accordance with ASQC 1 *Quality Control for Firms that Perform Audits and Reviews of Financial Reports and Other Financial Information, and Other Assurance Engagements*, the Office of the Auditor General maintains a comprehensive system of quality control including documented policies and procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

Matters relating to the electronic publication of the audited financial report

This auditor's report relates to the financial report of the City of Mandurah for the year ended 30 June 2022 included in the annual report on the City's website. The City's management is responsible for the integrity of the City's website. This audit does not provide assurance on the integrity of the City's website. The auditor's report refers only to the financial report. It does not provide an opinion on any other information which may have been hyperlinked to/from the annual report. If users of the financial report are concerned with the inherent risks arising from publication on a website, they are advised to contact the City to confirm the information contained in the website version.
